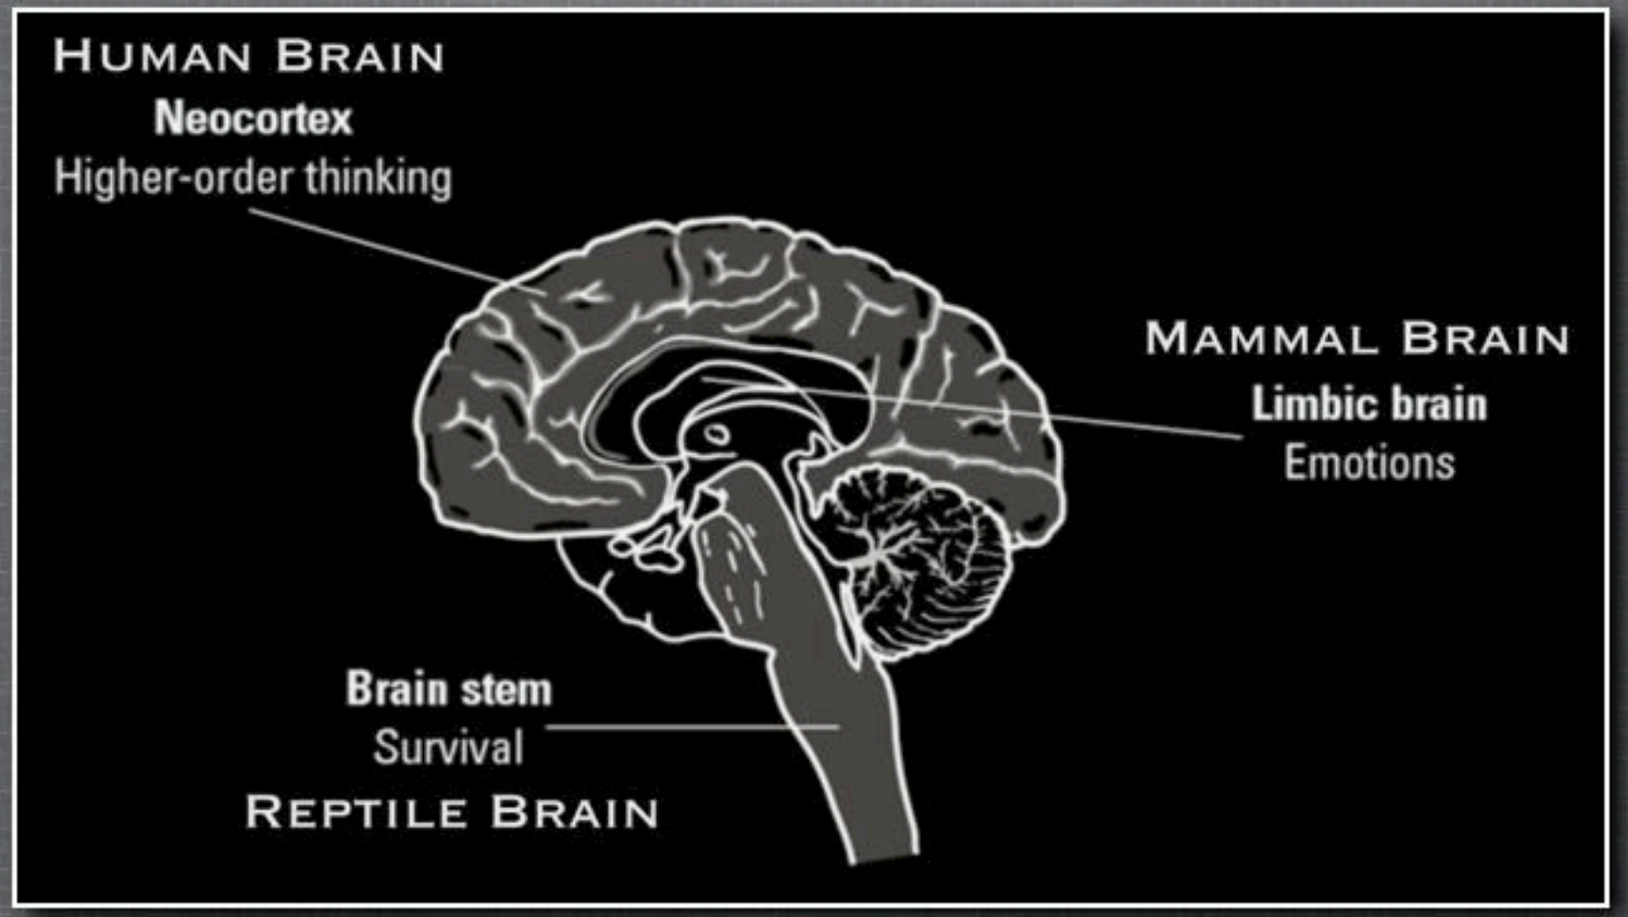
MIND CONTROL VIA BRAIN IMBALANCE



MASTER-THINK

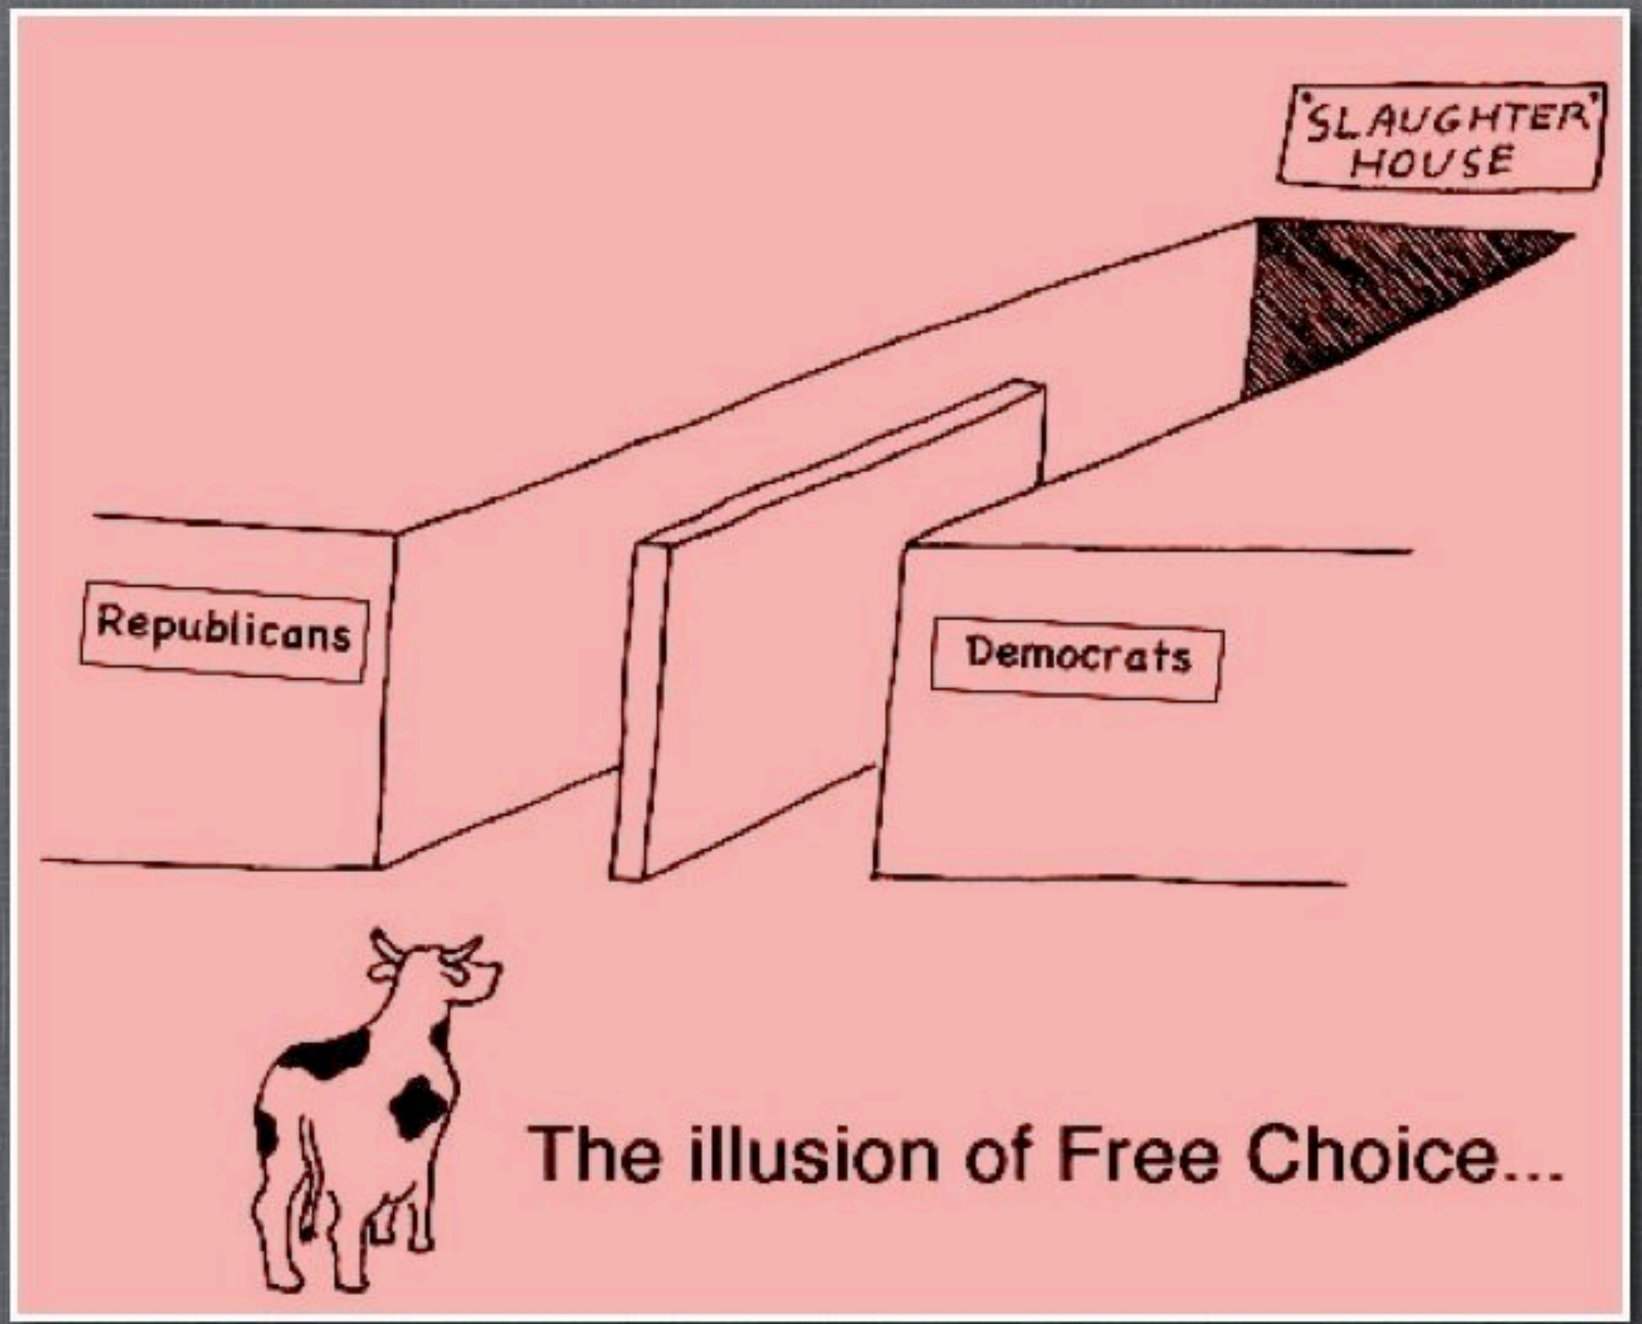
Chronic Left Brain (masculine) dominance creates suppression of emotion and eventually "roots" us in the Reptile Brain.

SLAVE-THINK

Chronic Right Brain (feminine) dominance creates suppression of survival instinct and eventually "roots" us in the Mammal Brain.

DIALECTICS

From the Greek preposition *dia*: "through; by way of"
and the Latin noun *lectus*: "choice"



DIALECTICS

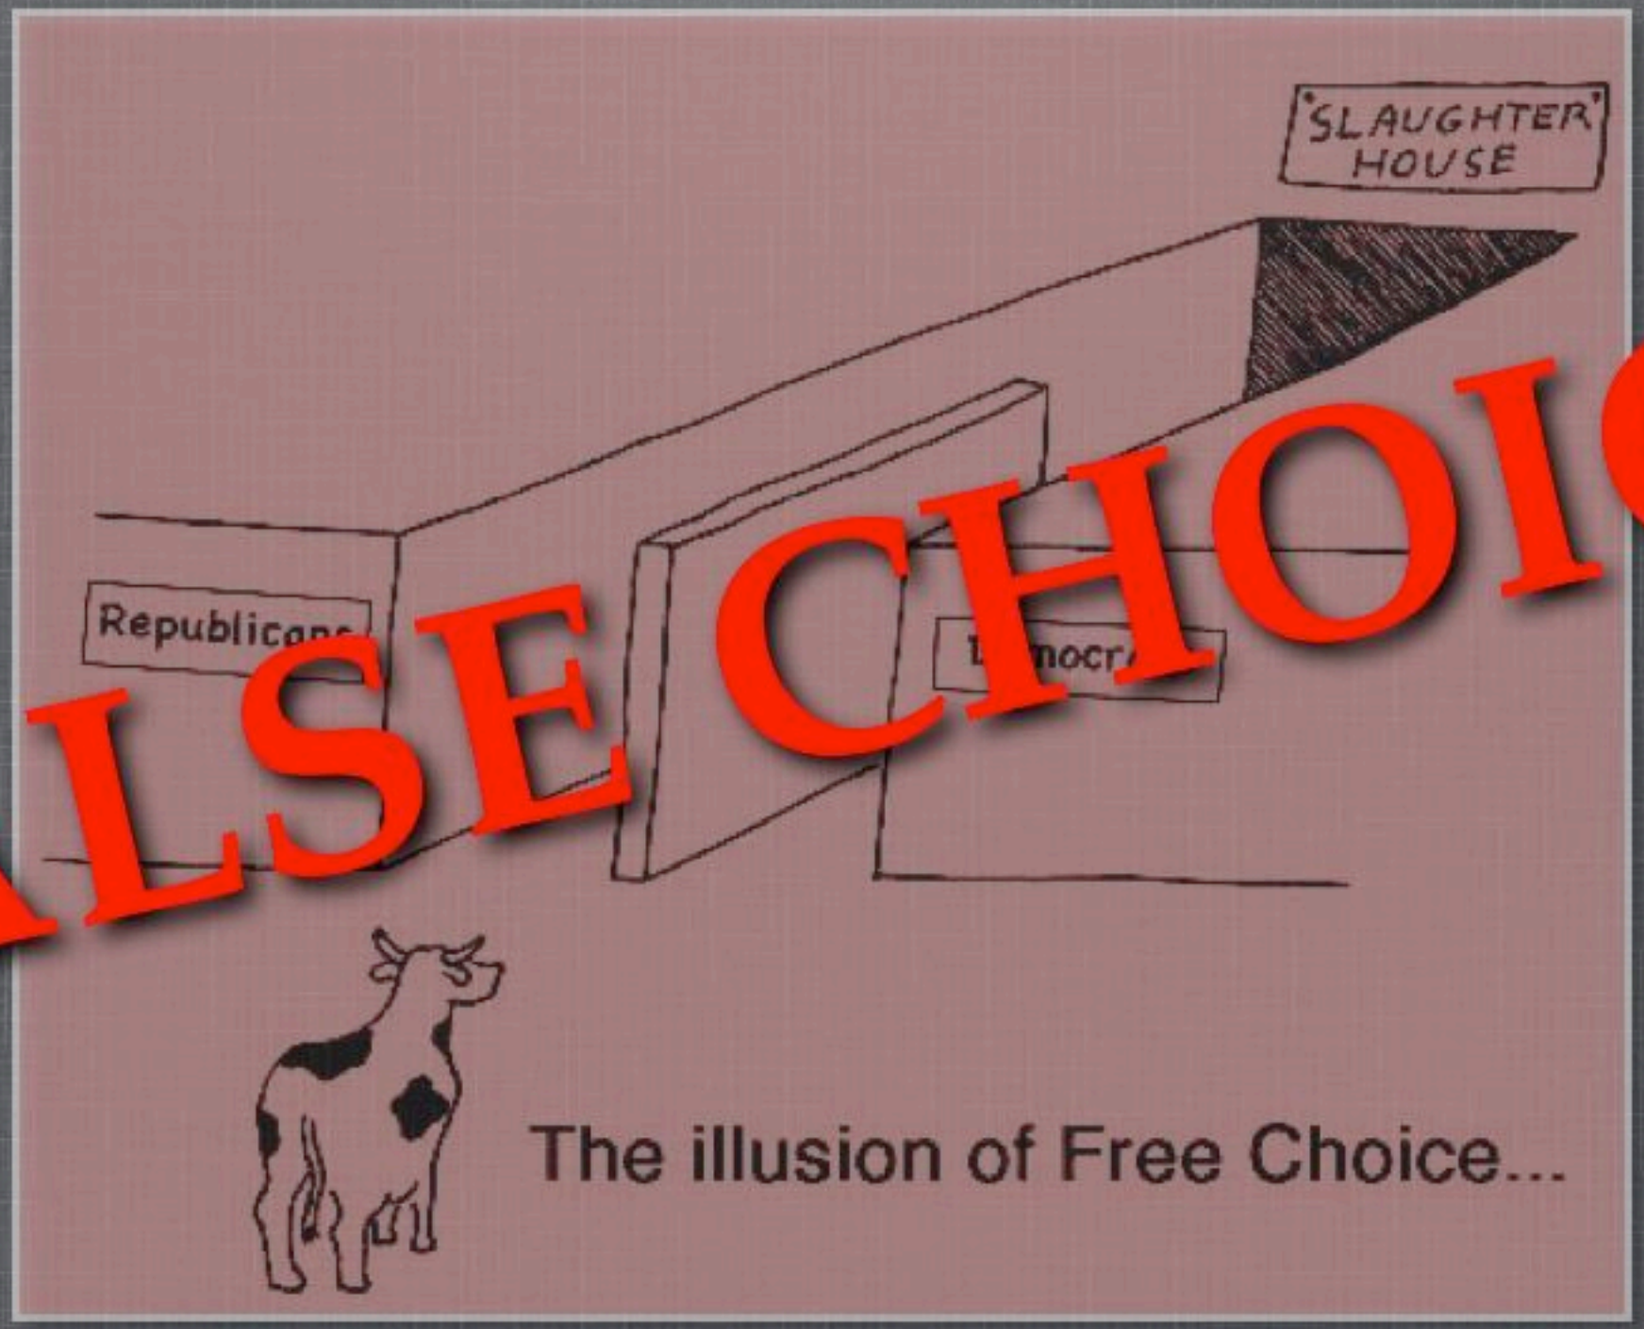
and the Latin noun *lectus*: "choice"



MIND CONTROL DIALECTICS

GOVERNMENT

Works through the Left Brain and binds the Right Brain

Based upon the erroneous and dogmatic BELIEF that there is such a thing as "Authority" vested in certain human beings, which gives them special "rights" which others do not possess.

MIND CONTROL DIALECTICS

GOVERNMENT

Works through the Left Brain and binds the Right Brain

Left Brain imbalance eventually creates psychopathic tendencies, leading some to the BELIEF that they have a "right" to rule over others through VIOLENCE.

MIND CONTROL DIALECTICS

RELIGION

Works through the Right Brain and binds the Left Brain

"If we give up our Free Will and Personal Responsibility to perform Right Action, some Deity, Government, Guru, ET Race, or Mystical Force will save us."

MIND CONTROL DIALECTICS

RELIGION

Works through the Right Brain and binds the Left Brain

Right Brain imbalance creates blind acceptance and collectivist group-think, leading to a condition in which willing followers will readily submit to "Authority."

JURISDICTION

From the Latin noun *jus, juris*: "law"
and the Latin verb *dictere*: "to speak; to say"

"AUTHORITY"

An ILLUSION of a diseased psyche, based entirely in VIOLENCE and built upon the erroneous and dogmatic BELIEF that some people are MASTERS who have the moral right to issue commands, and others are SLAVES who have a moral obligation to obey the Masters.

"New" Age Movement

The Last Cul-de-sac Before The GOLD MINE

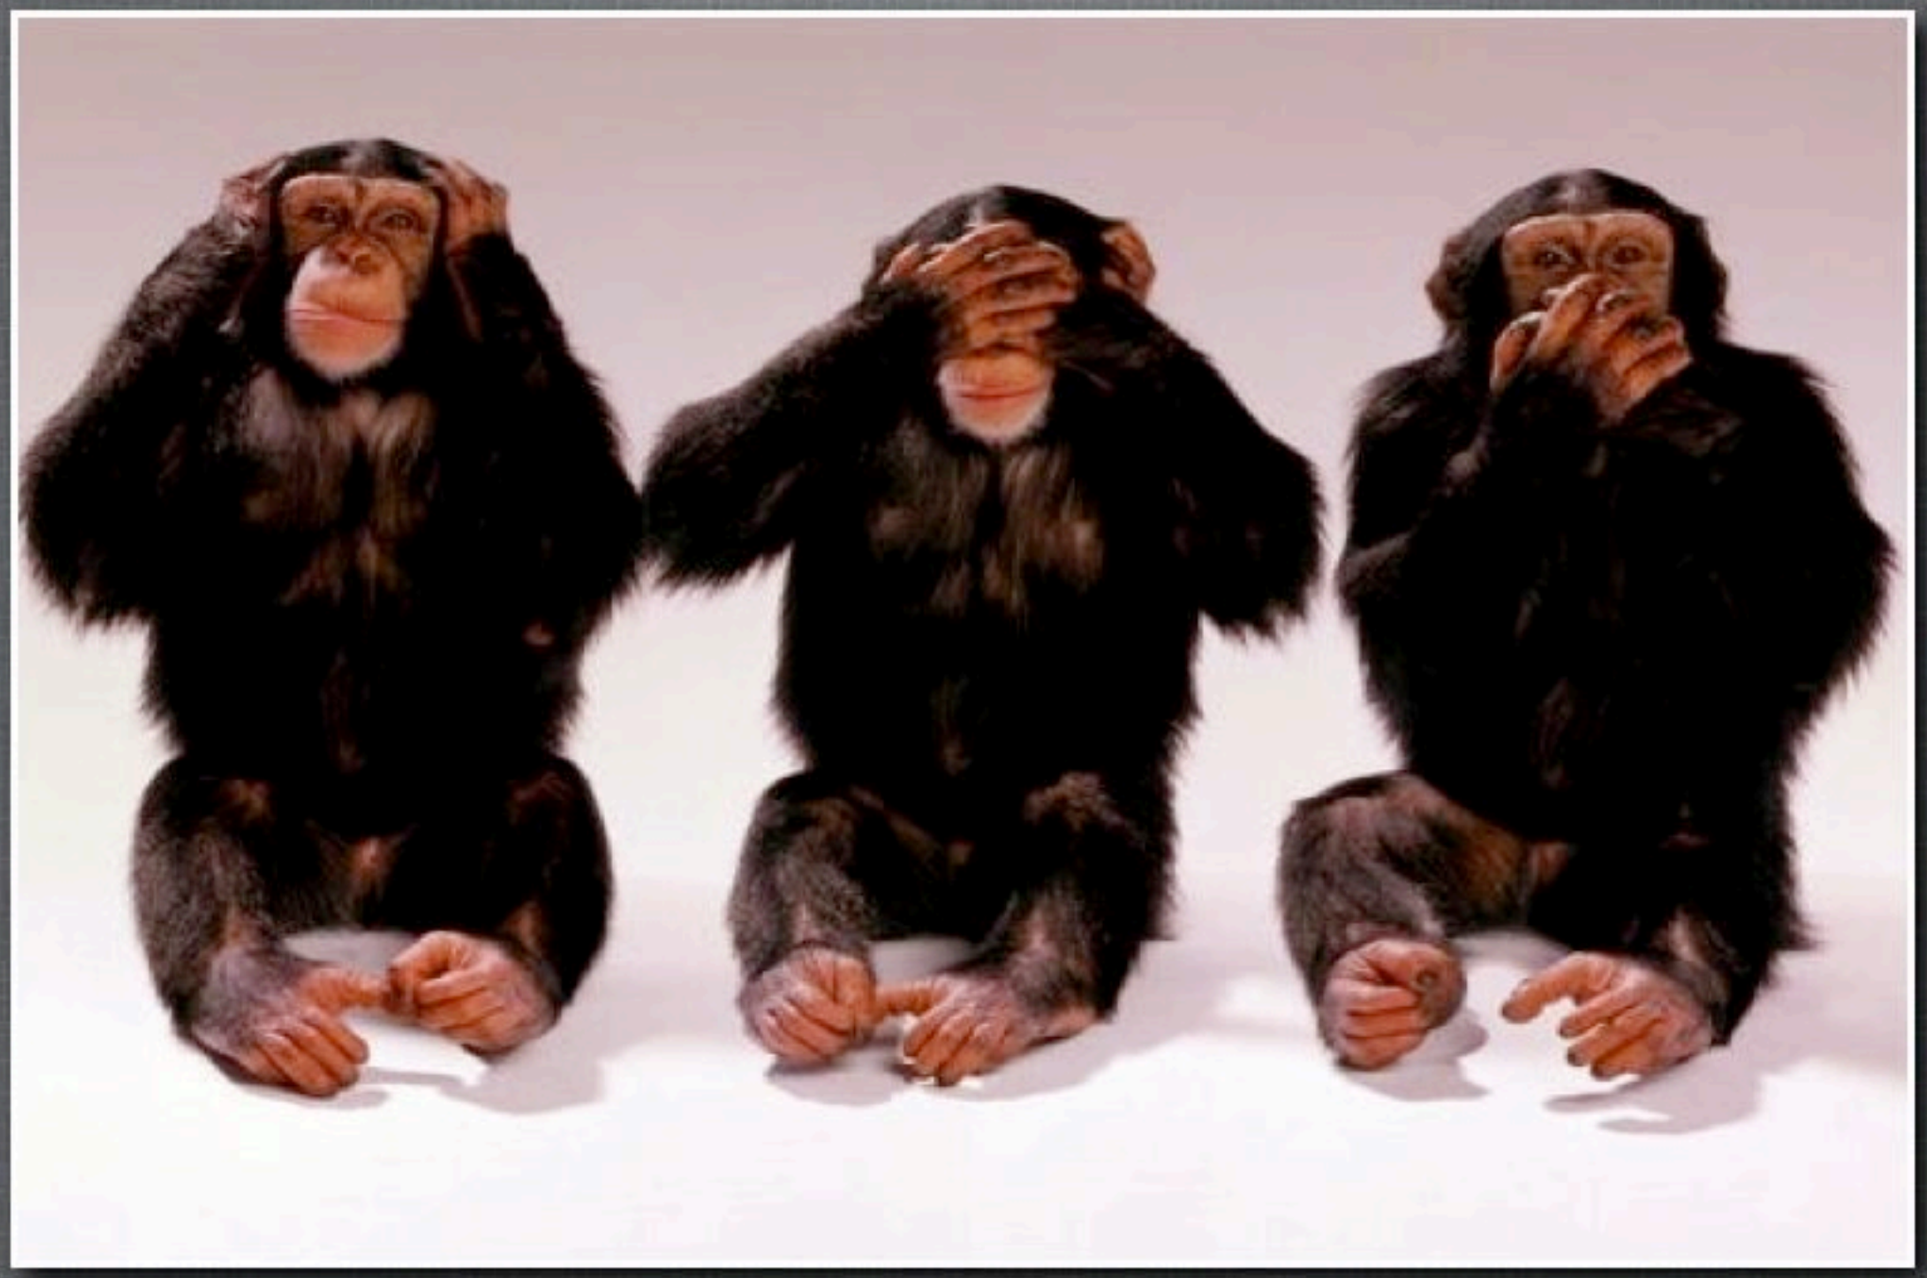
cul-de-sac: a dead-end street with no outlet, which retards the flow of transportation.

"New" Age Movement

The Last Religion Before The GOLD MIND

A spiritual dead-end with no outlet,
which retards the true awakening process.

"New" Age Deception #1:



Ignore The "Negative"

"New" Age Deception #1:

Many New Age deceivers want to convince you that you "give power" to something that is harmful simply by putting your attention upon it and becoming aware of its existence; therefore, you should never pay attention to, or talk about, anything that is "negative."

Ignore The "Negative"

"New" Age Deception #1:

Ignore The "Negative"

"New" A tion #1:

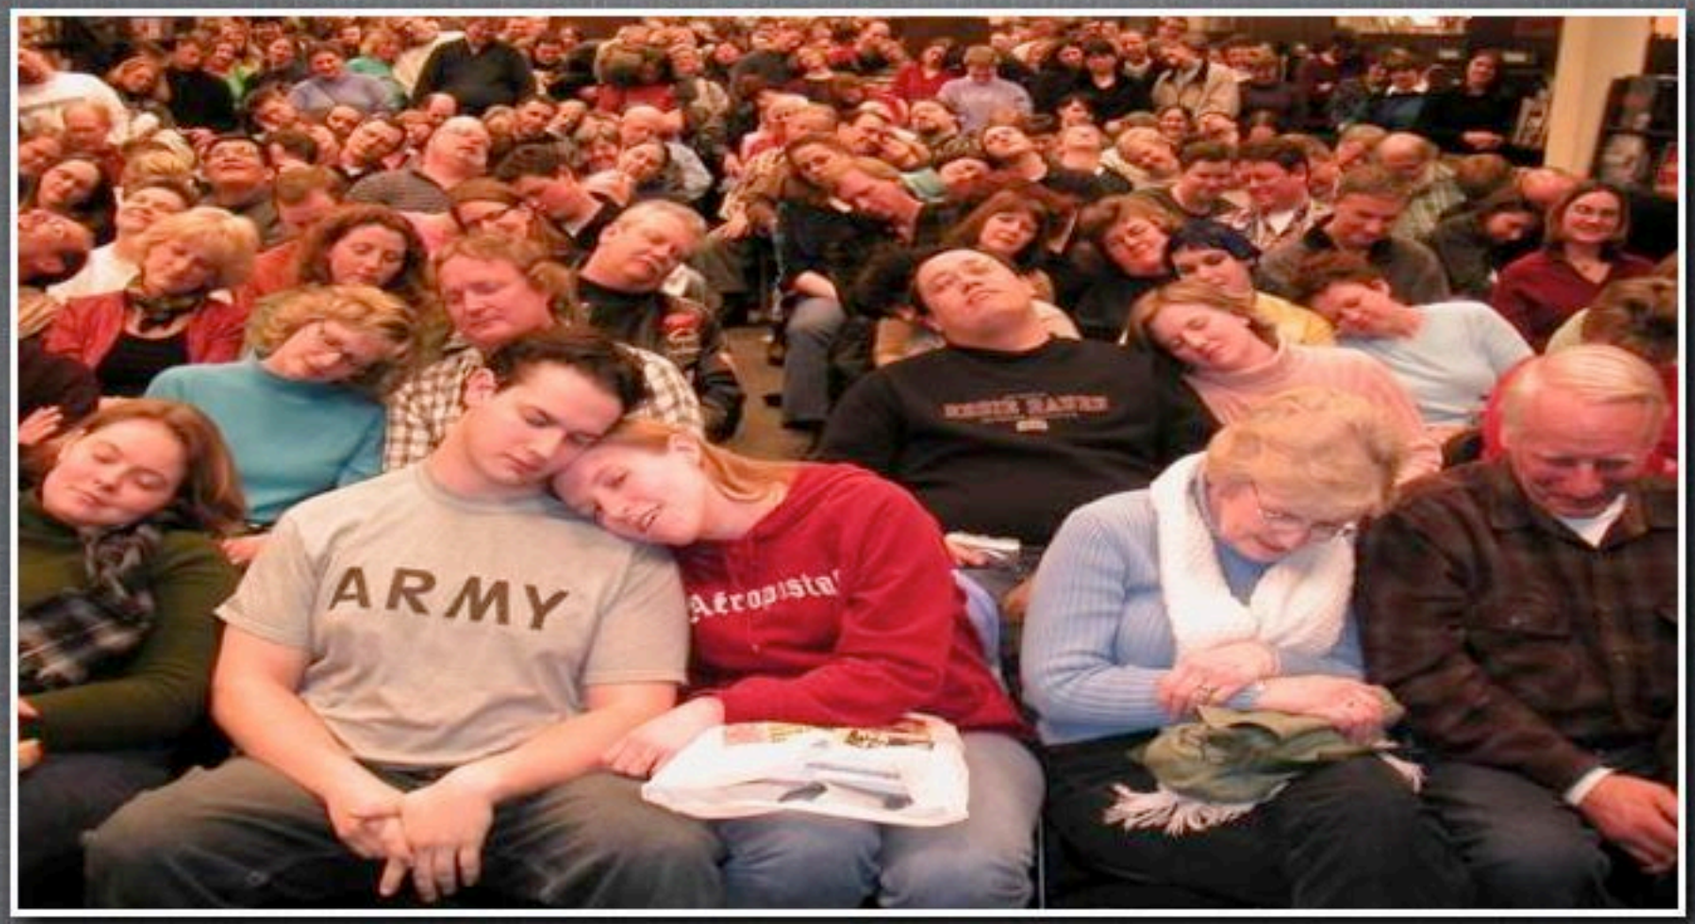
"New" Age Correction #1:

Seeing the Negative for what it is creates the ability to steel oneself against its harmful effects, and possibly even to avert those effects entirely.

"New" Age Correction #1:



Refusing to look at critical information, just because it makes you feel uncomfortable or scared, is willfully choosing to remain in a state of IGNORANCE, and therefore to remain un-Conscious.

"New" Age Deception #2:

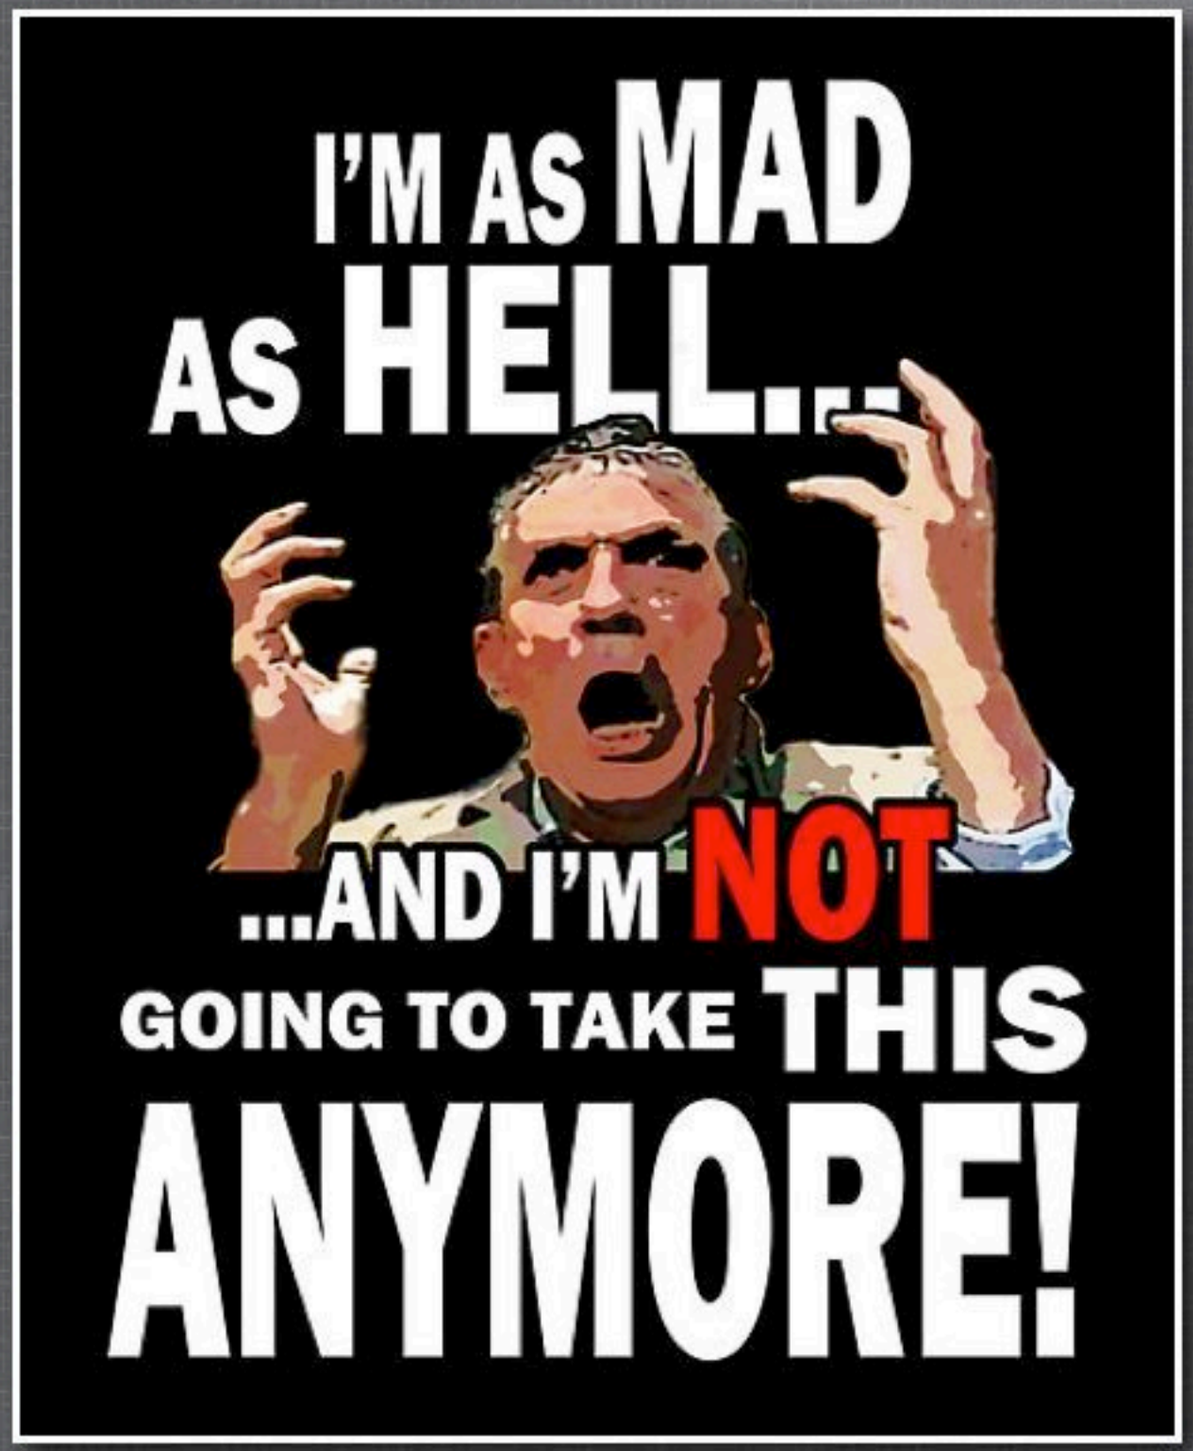
"New" Age Correction # 2:

While non-righteous and un-channeled anger is counter-productive to both individual development and collective efforts to bring about positive change ...

"New" Age Correction #2:



Righteous Indignation, when channeled productively, can be a major motivation to create positive change in the world.

"New" Age Deception #3: It's *ALL* Good

Many New Agers tout the concepts such as Right & Wrong as "dualistic," and therefore invalid. They try to convince people that *EVERYTHING* is OK.

From the Latin prefix *con*: "together," and the Latin verb *sciere*: "to know"

It is the Knowledge of the objective difference between Right and Wrong.

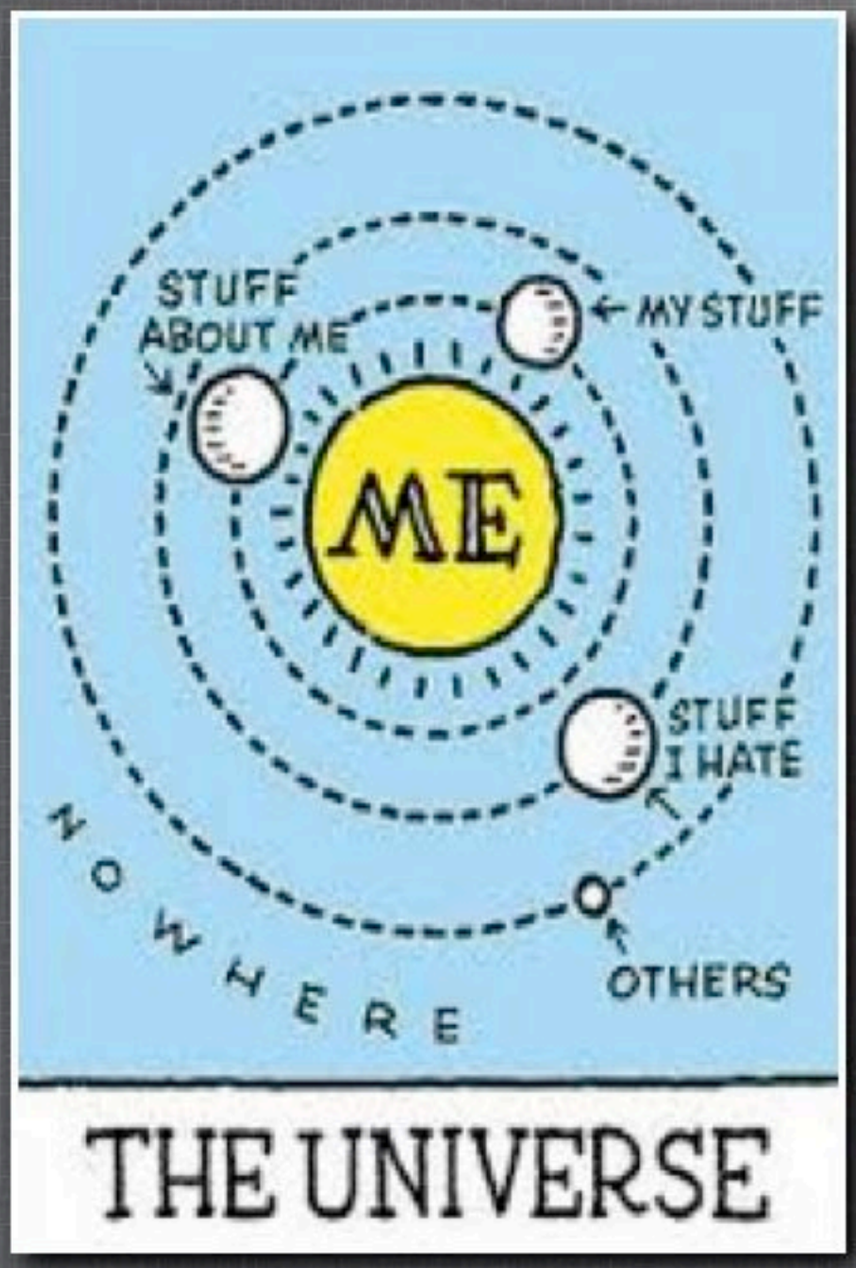
You Can Never Really Know

"New" Age Deception #4:
SOLIPSISM



From the Latin adjective *solus*: "alone" and the Latin pronoun *ipse*: "self"

The ideology that only one's own mind is sure to exist. Solipsists contend that knowledge of anything outside one's own mind is unsure, hence there is no objective reality and nothing about the external world and it's workings can truly be known.

"New" Age Correction #4:

But our Work is to align the two.

"New" Age Correction #4:

Solipsism is a defining hallmark of spiritual infancy. Departing from this diseased ideology is a sure-fire sign of the beginnings of human maturity and spiritual development.

"New" Age Correction #4:

Objective Reality *DOES* exist. Truth *CAN* be known. Rights are inherent to Creation itself and are based in Truth and Natural Law. Those who don't *KNOW* what Rights are won't say *NO* to those who attempt to take their Rights away.

"New" Age Correction #4:

Those Who Don't *KNOW* Won't Say *NO*.

"New" Age Deception #5:

Accept, Accept, Accept ...
But *NEVER* Resist

"New" Age Deception #5:

Ab-Use Of Meditation & Yoga

The New Age Movement has been twisting these spiritual practices into means to take people's minds off the fact that they have been enslaved, and make it easy for them to just accept the current condition of the world as their lot in life.

"New" Age Deception #5:

"Don't react to anything."

What this translates to:

"Never take any action to try to change the things that are wrong with this world."

"New" Age Deception #5:

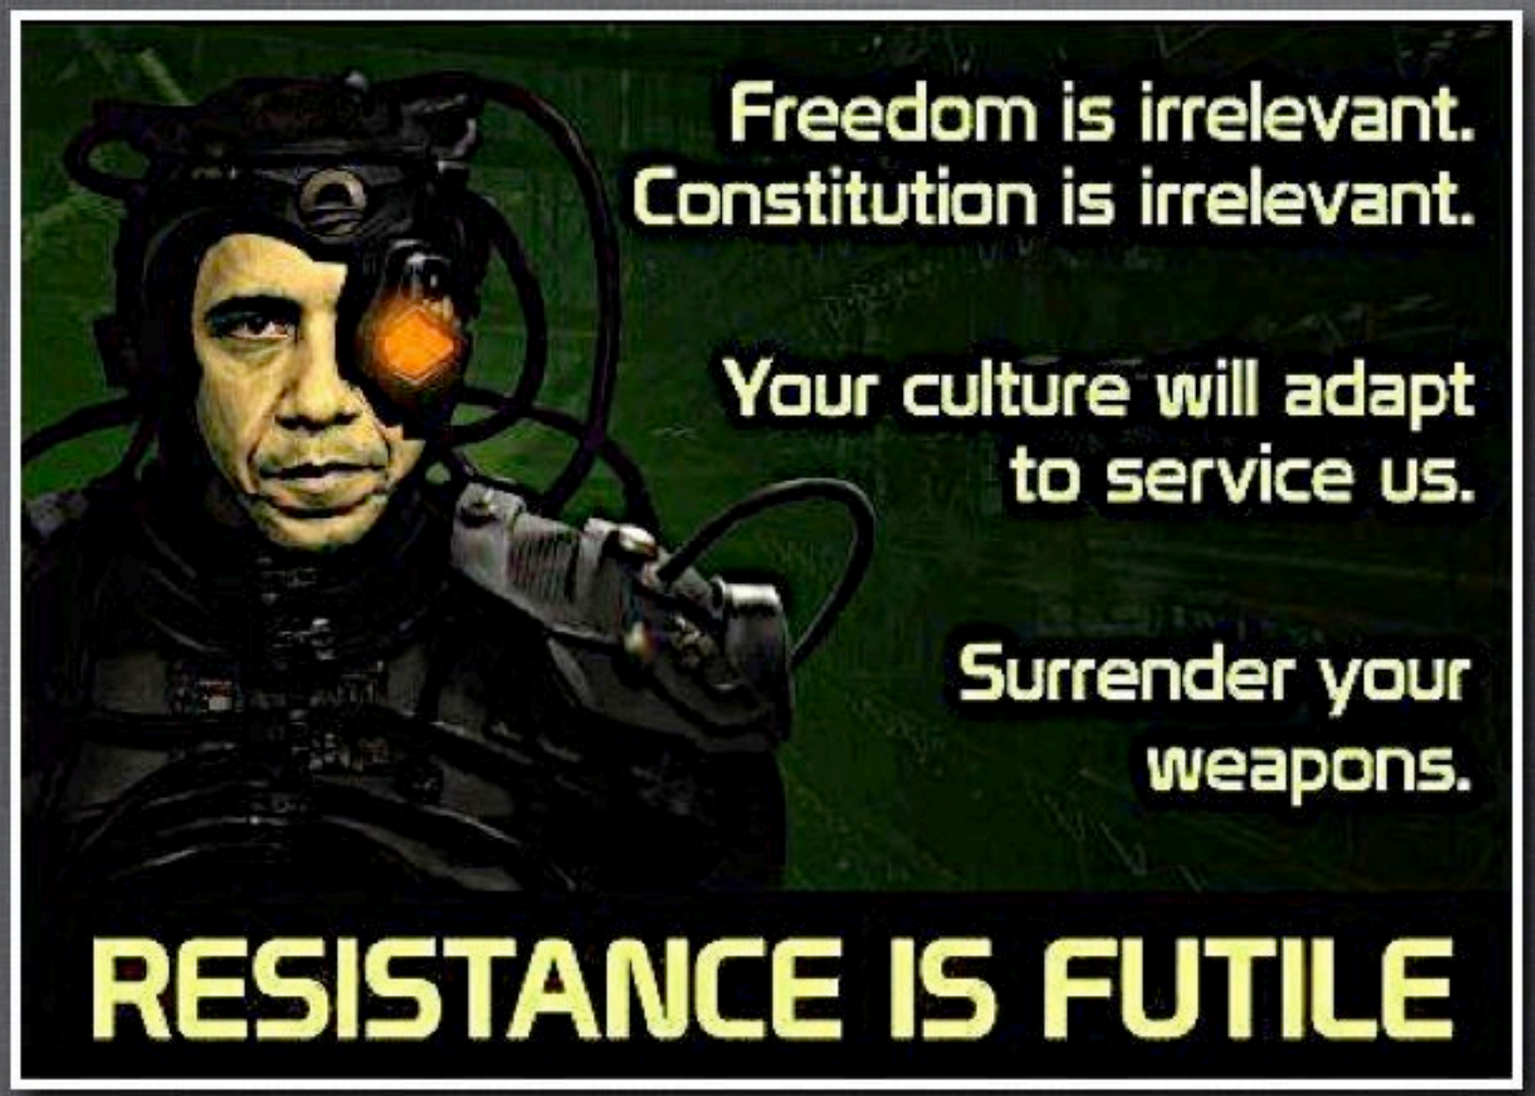
"What you resist persists."

What this translates to:



"Don't resist Evil. Just let it run rampant and destroy everything that is Good."

"New" Age Deception #5:
"No Confrontation!"

New Agers insist that there is *NEVER* a time to use Force.

"New" Age Correction #5:

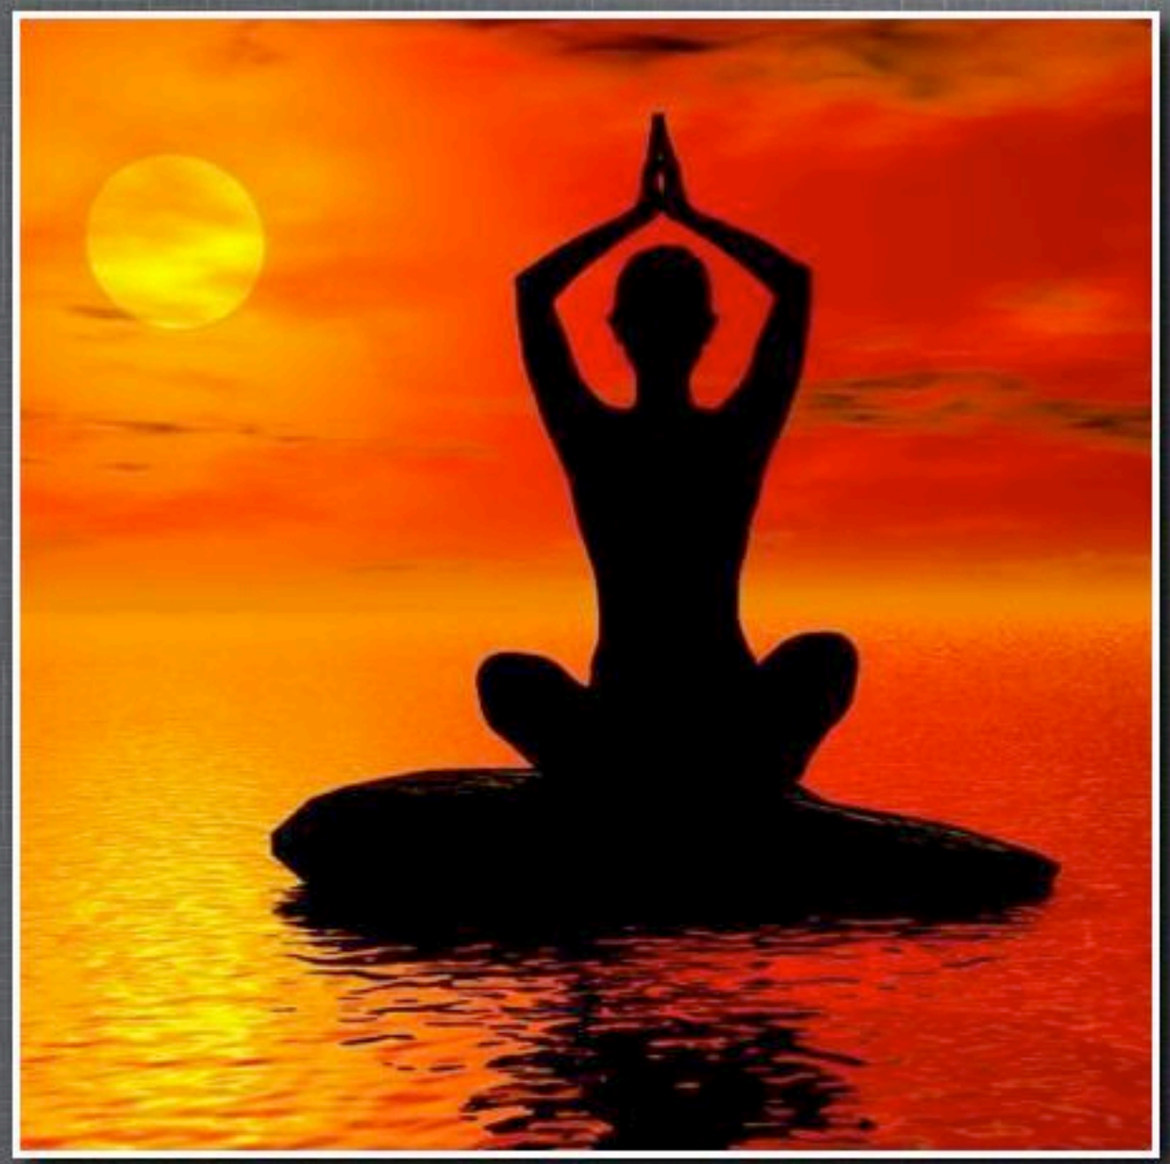
Right Use Of Meditation & Yoga



Meditation's correct usage is for balancing the brain when it has been chronically left-brain dominant.

Yoga's proper usage is to help us to discover what our True Work is, and to motivate us to *DO IT*.

"New" Age Correction #5:

FORCE	VIOLENCE
The capacity to do work or cause physical change; energy, strength, active power	The immoral use of physical power to coerce, compel or restrain
Action which is in Harmony with morality and Natural Law because it does not violate others' Rights	Initiation of coercive action which is in Opposition to morality and Natural Law because it involves the violation of others' Rights
Action which one ALWAYS possesses the Right to take (includes defense against Violence)	Action which one NEVER possesses the Right to take

"New" Age Correction #5:

Half-Way Understanding *WON'T* Get It Done

The "My Freedom" Movement often leaves out the Sacred Feminine Principles of Non-Aggression and compassion toward others.

"New" Age Correction #5:

Half-Way Understanding *WON'T* Get It Done

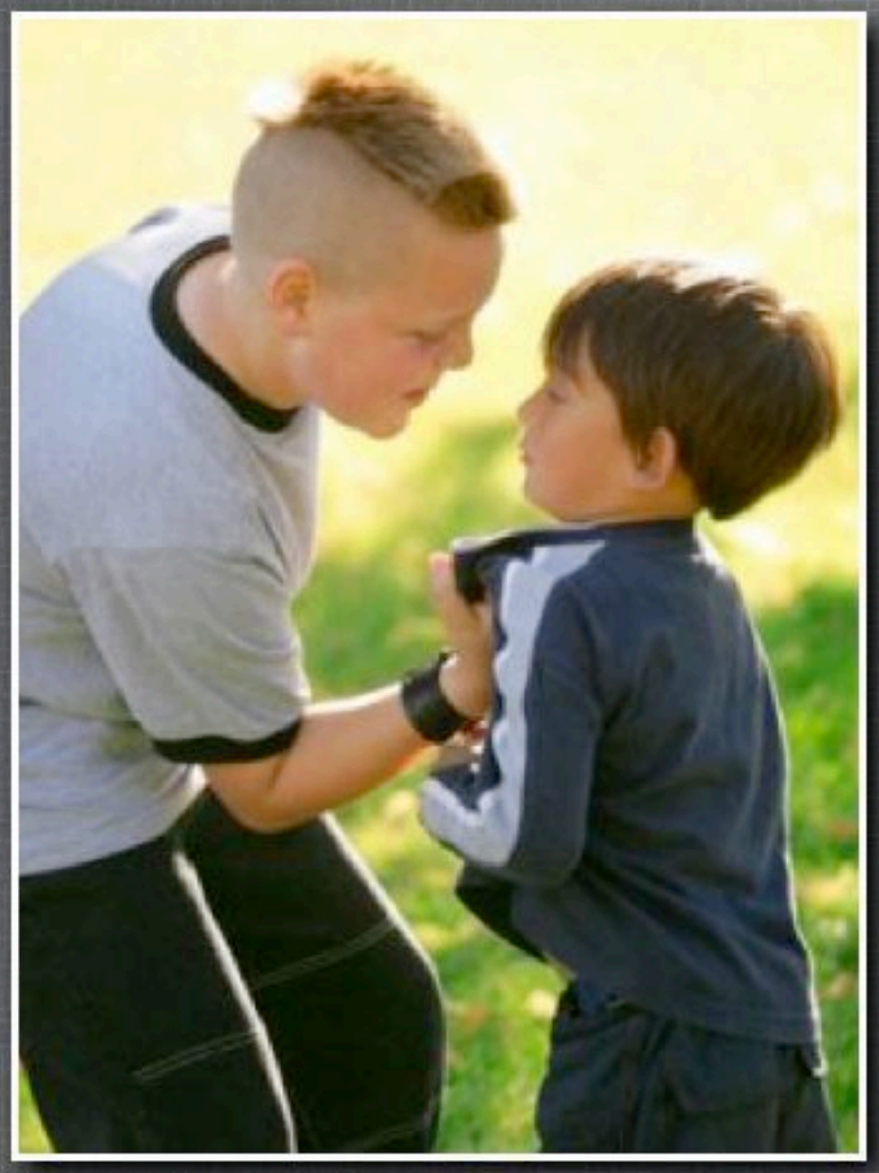
The New Age Movement leaves out the Sacred Masculine Principles of standing up for one's Rights and the inherent Right to defend oneself against Violence with the defensive use of Force.

"New" Age Correction #5:

While a totalitarian police state is being brought forward faster and faster, the Occult Controllers need to propagate a Religion to push people deeper into right-brained imbalance so that they will not stand up for their Natural Rights.

The "New" Age Movement *IS* that Religion.

"New" Age Correction #5:
Cutting Through The B.S.



The *REAL* reason most people, including New Agers, do not want to speak out against Government is because, deep down inside, they are *COWARDS* who lack the Courage to stand up to a bully.

SERVICE TO TRUTH

"New" Age Correction #6:

We co-create our shared reality in the AGGREGATE. Individual choices, either based in Harmony or Opposition to Natural Law, influence the quality of the shared experience. This dynamic acts as a perfect expression of the Principle of Correspondence: As above, so below; as below, so above. Conversely to what the New Age Movement will tell you, for a QUANTUM shift to take place, numbers *ARE* required.

"New" Age Deception #7:

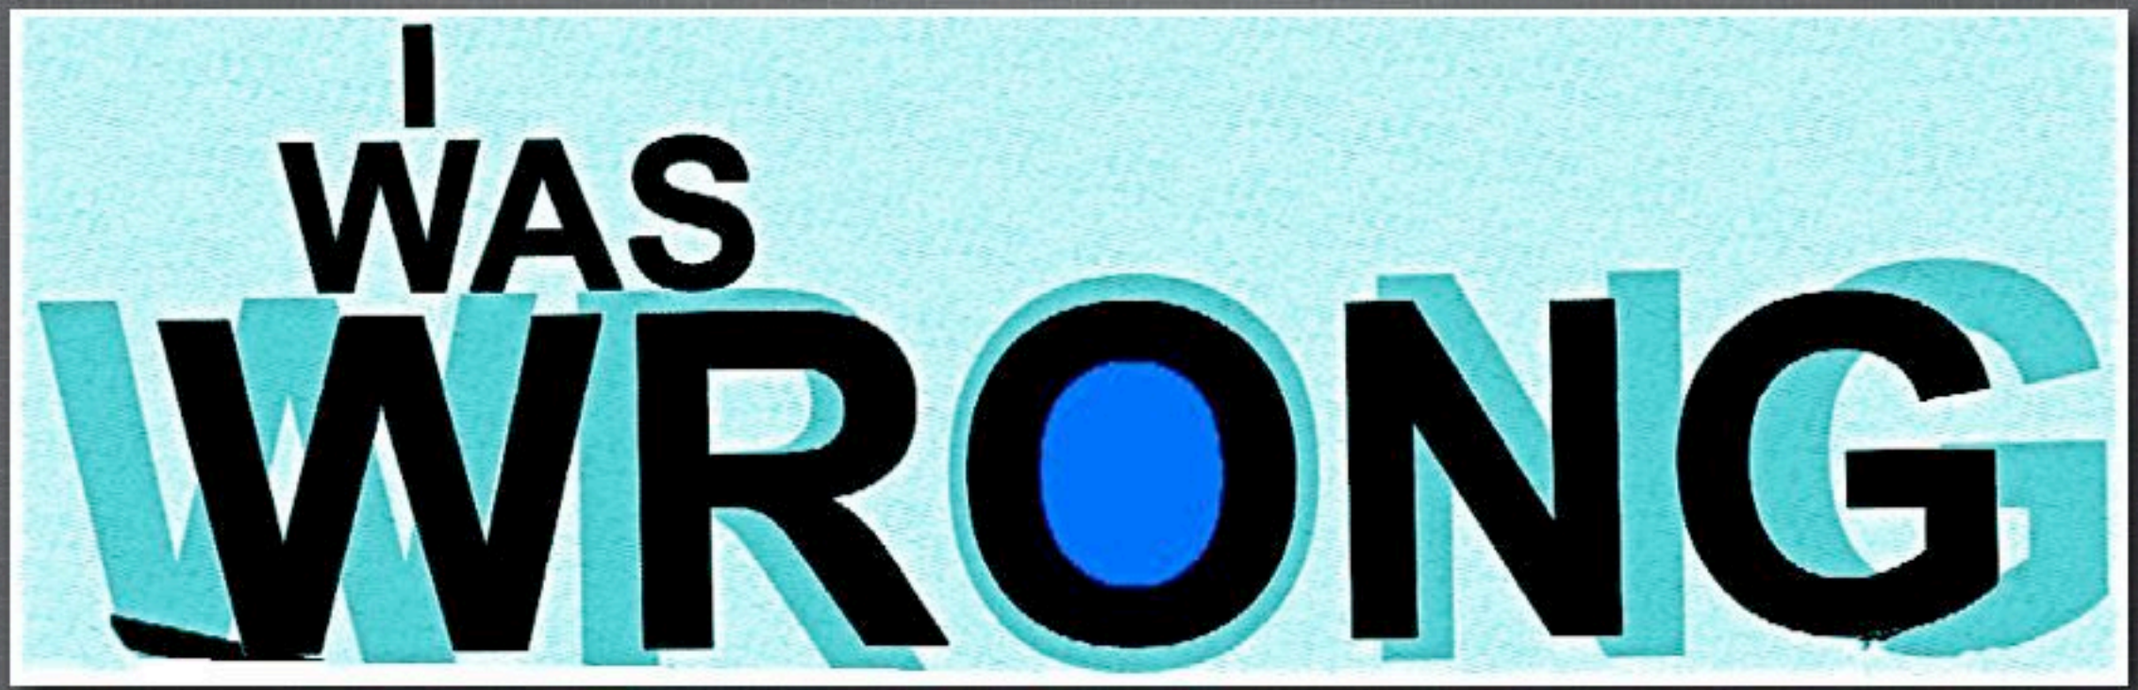
"New" A tion #7:

"New" Age Correction #7: True Forgiveness

True Forgiveness does ***NOT*** mean continuing to excuse the willful commission of wrong-doing an infinite number of times. That is naiveté at best, and cooperation with Evil at worst.

"New" Age Correction #7: True Forgiveness



A sincere Apology starts with the willingness to tell the Truth and cease one's engagement in violent action. ***THAT*** is where true forgiveness and reconciliation must begin.

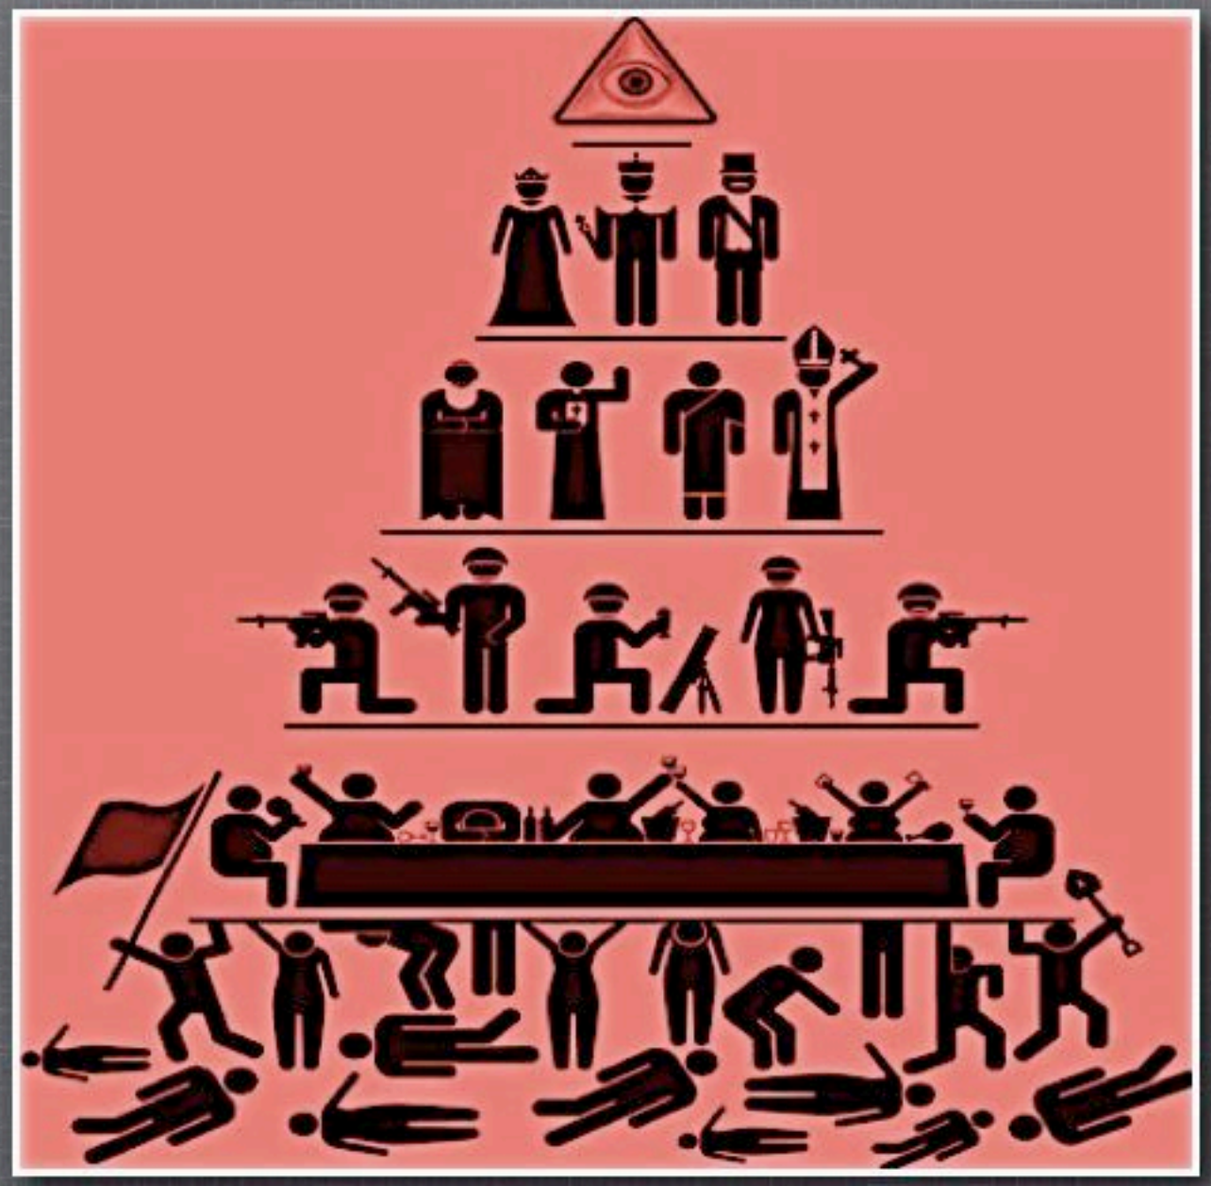
The Two Teachers

"New" Age Correction #8:

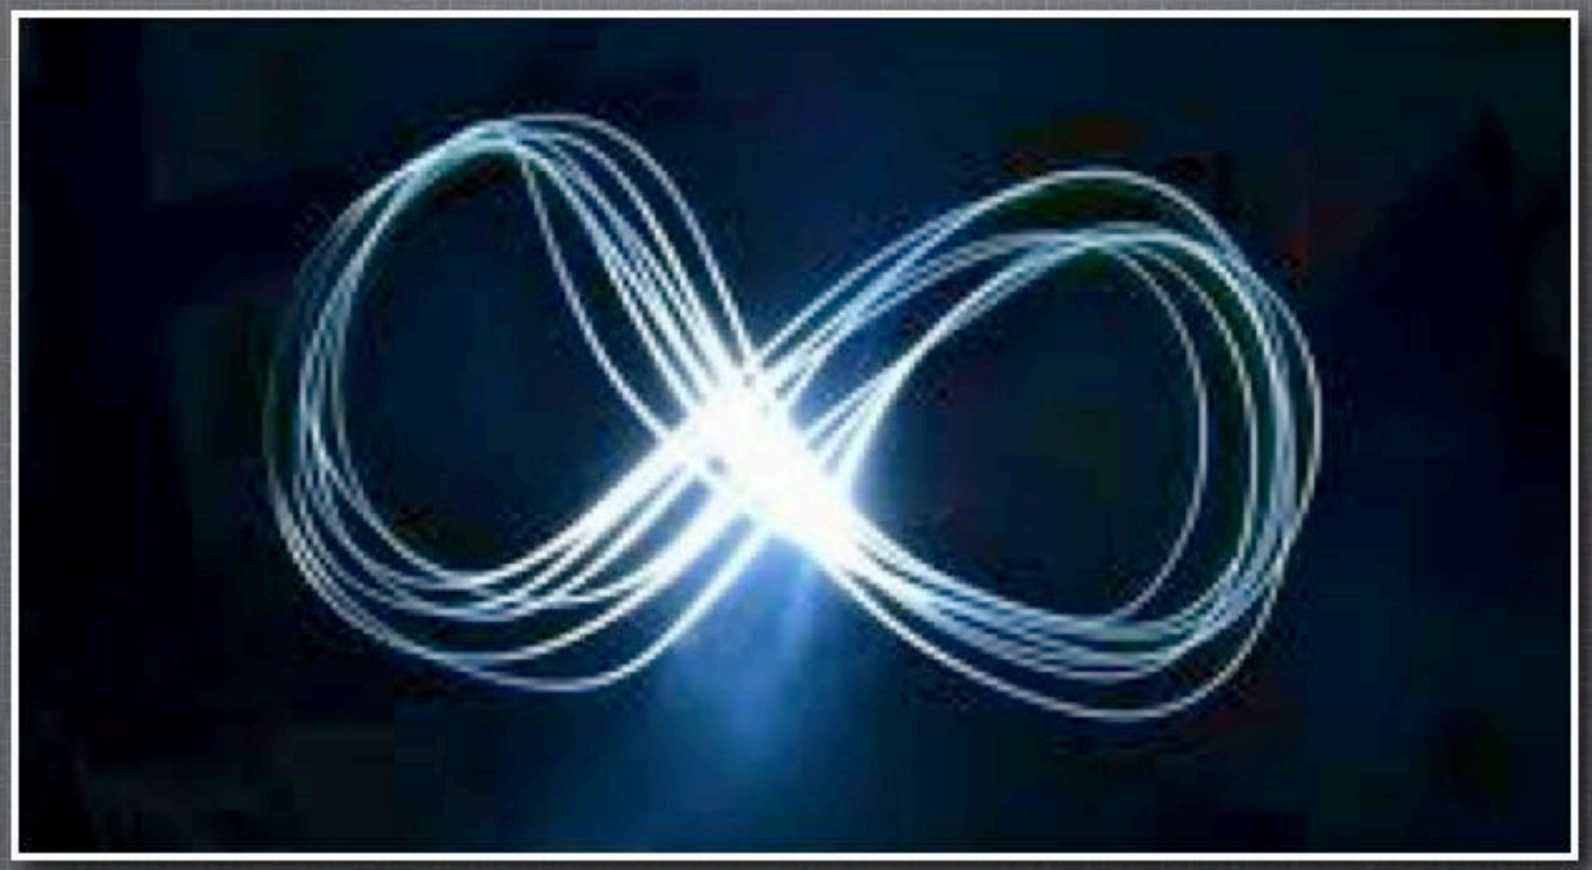
Chaos Is A Teacher

"New" Age Correction #8:



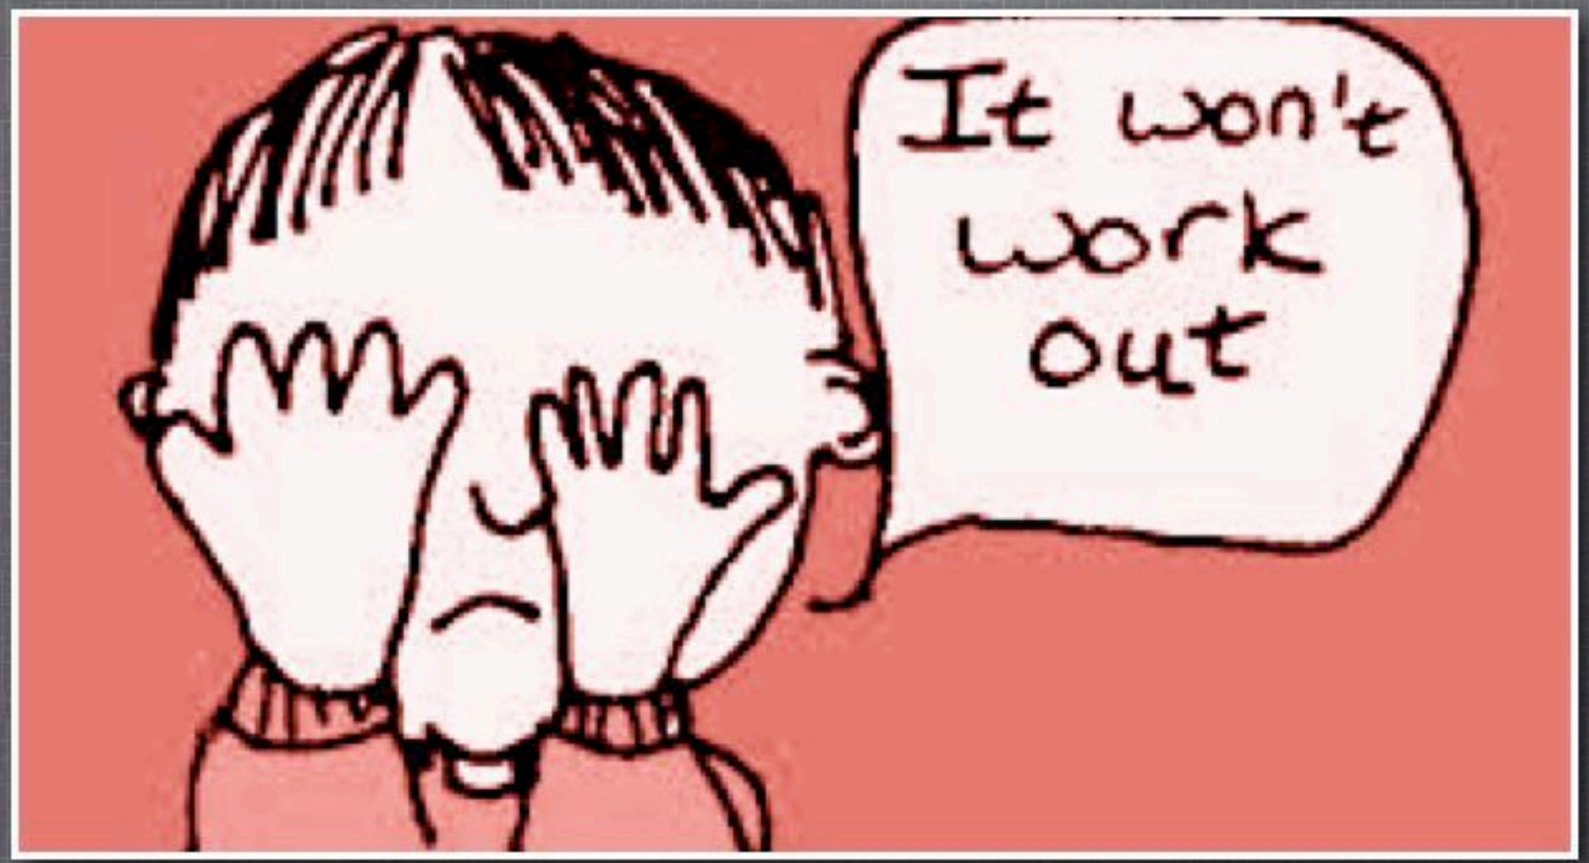
The Control & Slavery system is about limitation of Free Will through the destruction of possibility.

"New" Age Correction #8:



True Freedom includes infinite possibility, which, by definition, includes the possibility of Chaos. This possibility must be embraced without Fear if we are to be truly Free.

"New" Age Correction #8:



Fear of the possibility of Chaos = Fear of True Freedom

"New" Age Correction #8:

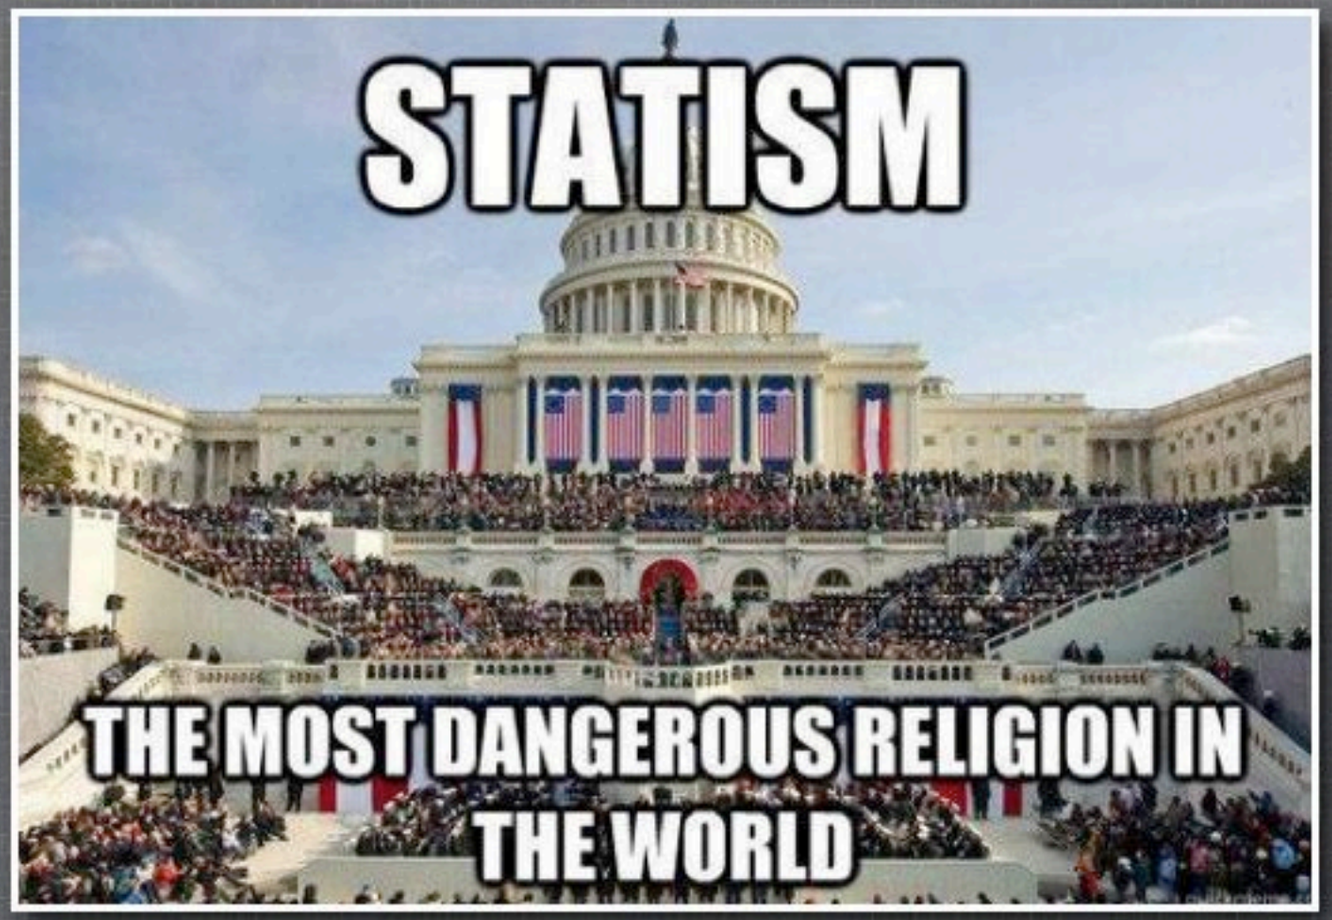
DEATH OF THE IMAGINATION

Fear of the possibility of Chaos = Fear of True Freedom

"New" Age Correction #8:

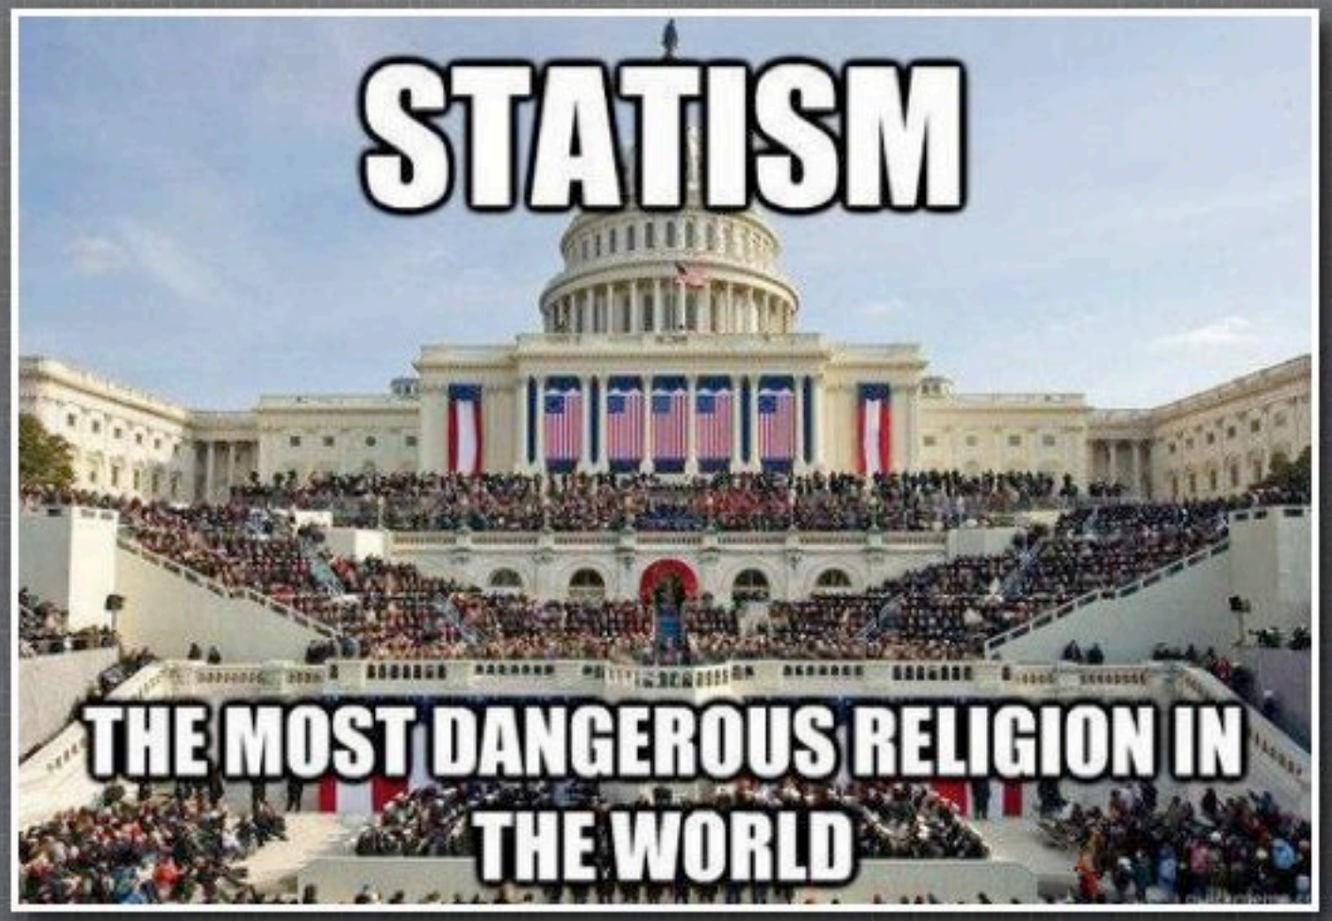
Through their Fear of the possibility of Chaos (True Freedom), most people advocate the legitimacy and continuance of "Authority" and Government, and are therefore actually advocating the legitimacy and continuance of VIOLENCE and SLAVERY.

"New" Age Correction #8:



Those who believe that "Authority" is necessary and that it *MUST* continue, have actually been duped into believing that human SLAVERY is necessary and *MUST* continue in order to *PREVENT* Chaos.

"New" Age Correction #8:

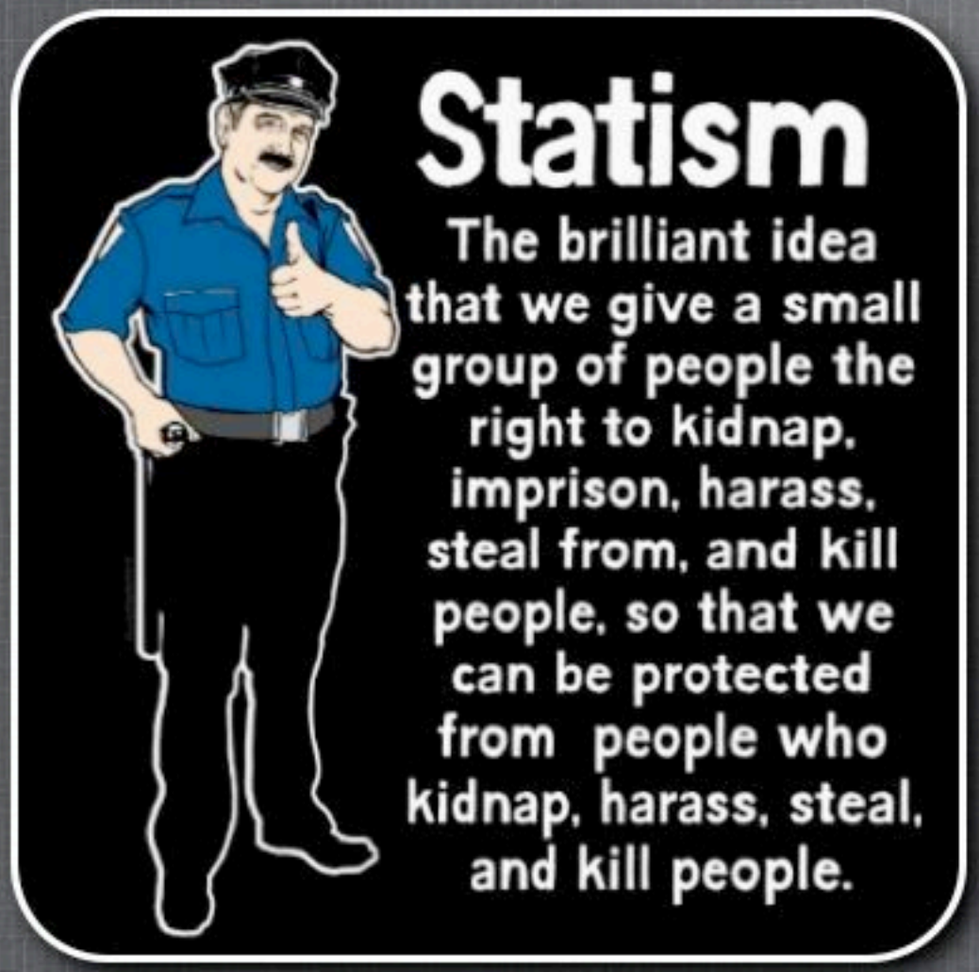


Violence and Slavery
CAN NOT **prevent Chaos.**

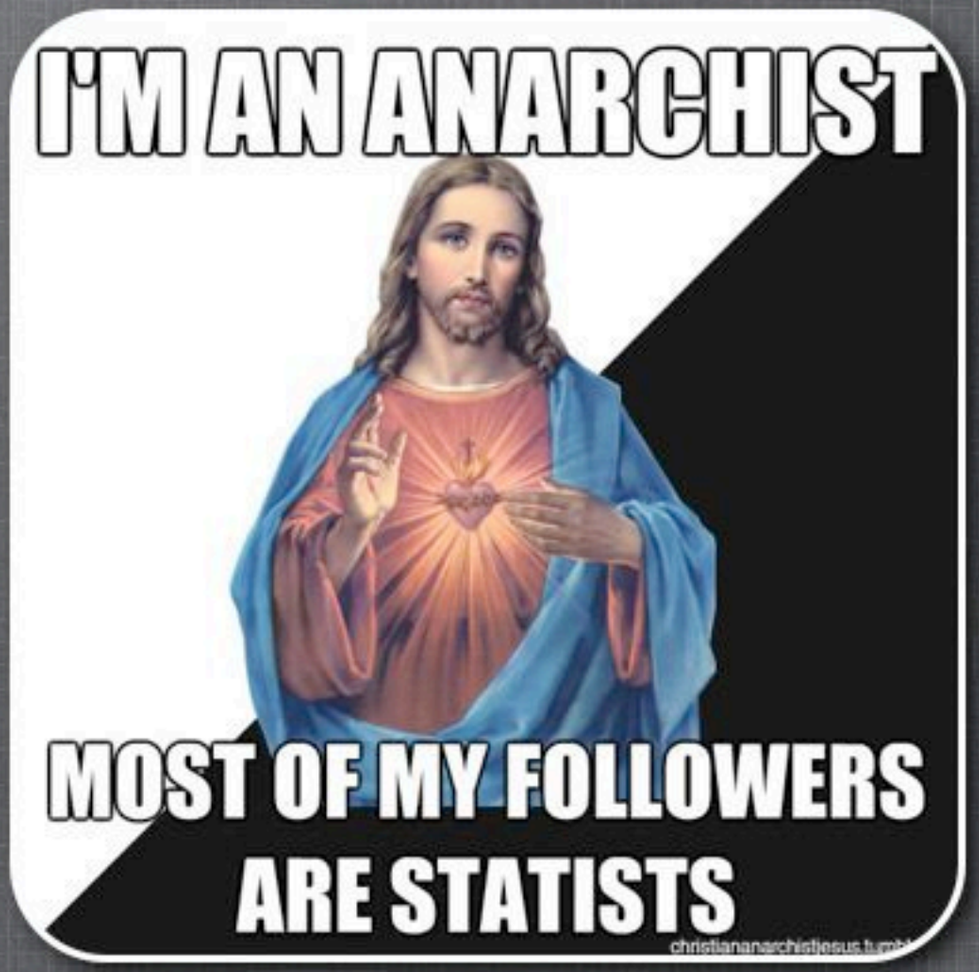
Violence and Slavery *ARE* Chaos.

"New" Age Correction #8:

The One *TRUE* Divide



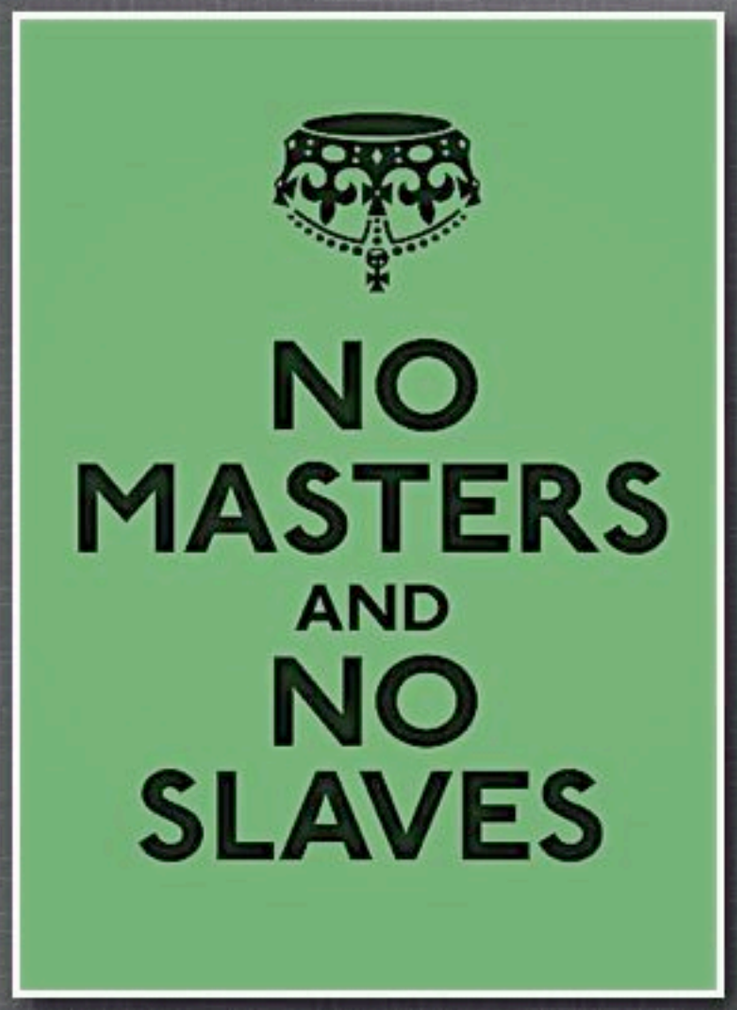
Statism
The brilliant idea that we give a small group of people the right to kidnap, imprison, harass, steal from, and kill people, so that we can be protected from people who kidnap, harass, steal, and kill people.



STATIST

ANARCHIST

"New" Age Correction #8:
ANARCHY



From the Greek prefix *an*: "without; the absence of" and the Greek noun *archon*: "master; ruler"

Anarchy does <u>*NOT*</u> mean "without rules." It literally means "without rulers; without masters."

No Rulers. No Masters.

"New" Age Correction #8:

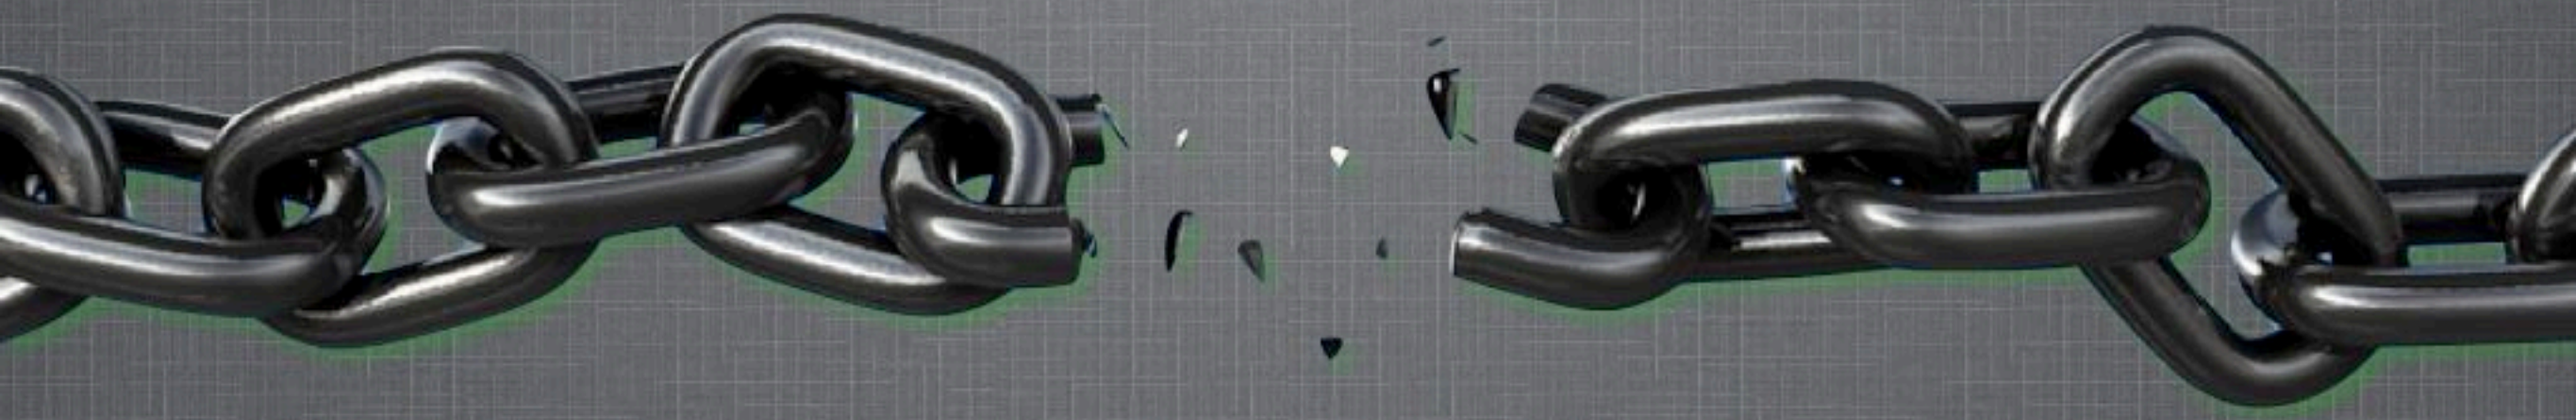
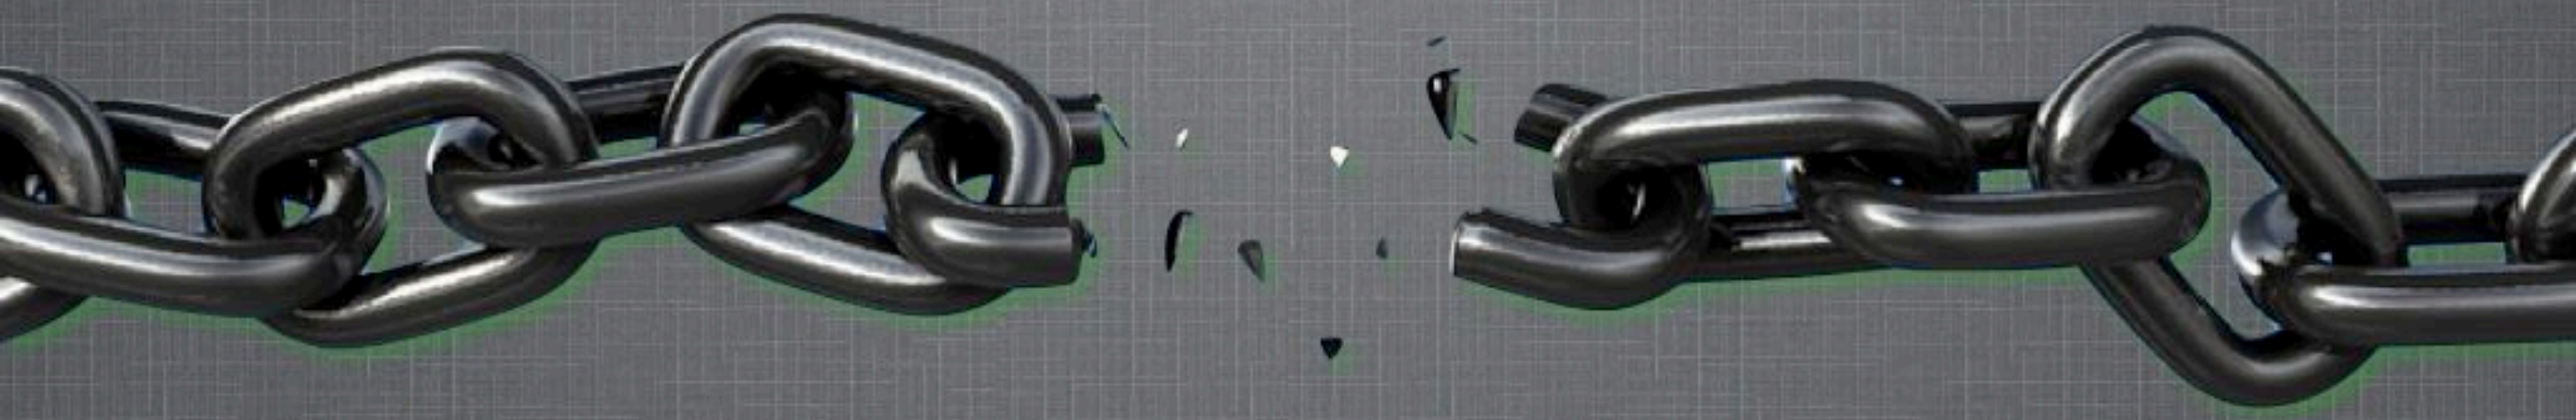
ARCHONIST **ANARCHONIST**

"New" Age Correction #8:
Bridging The Divide



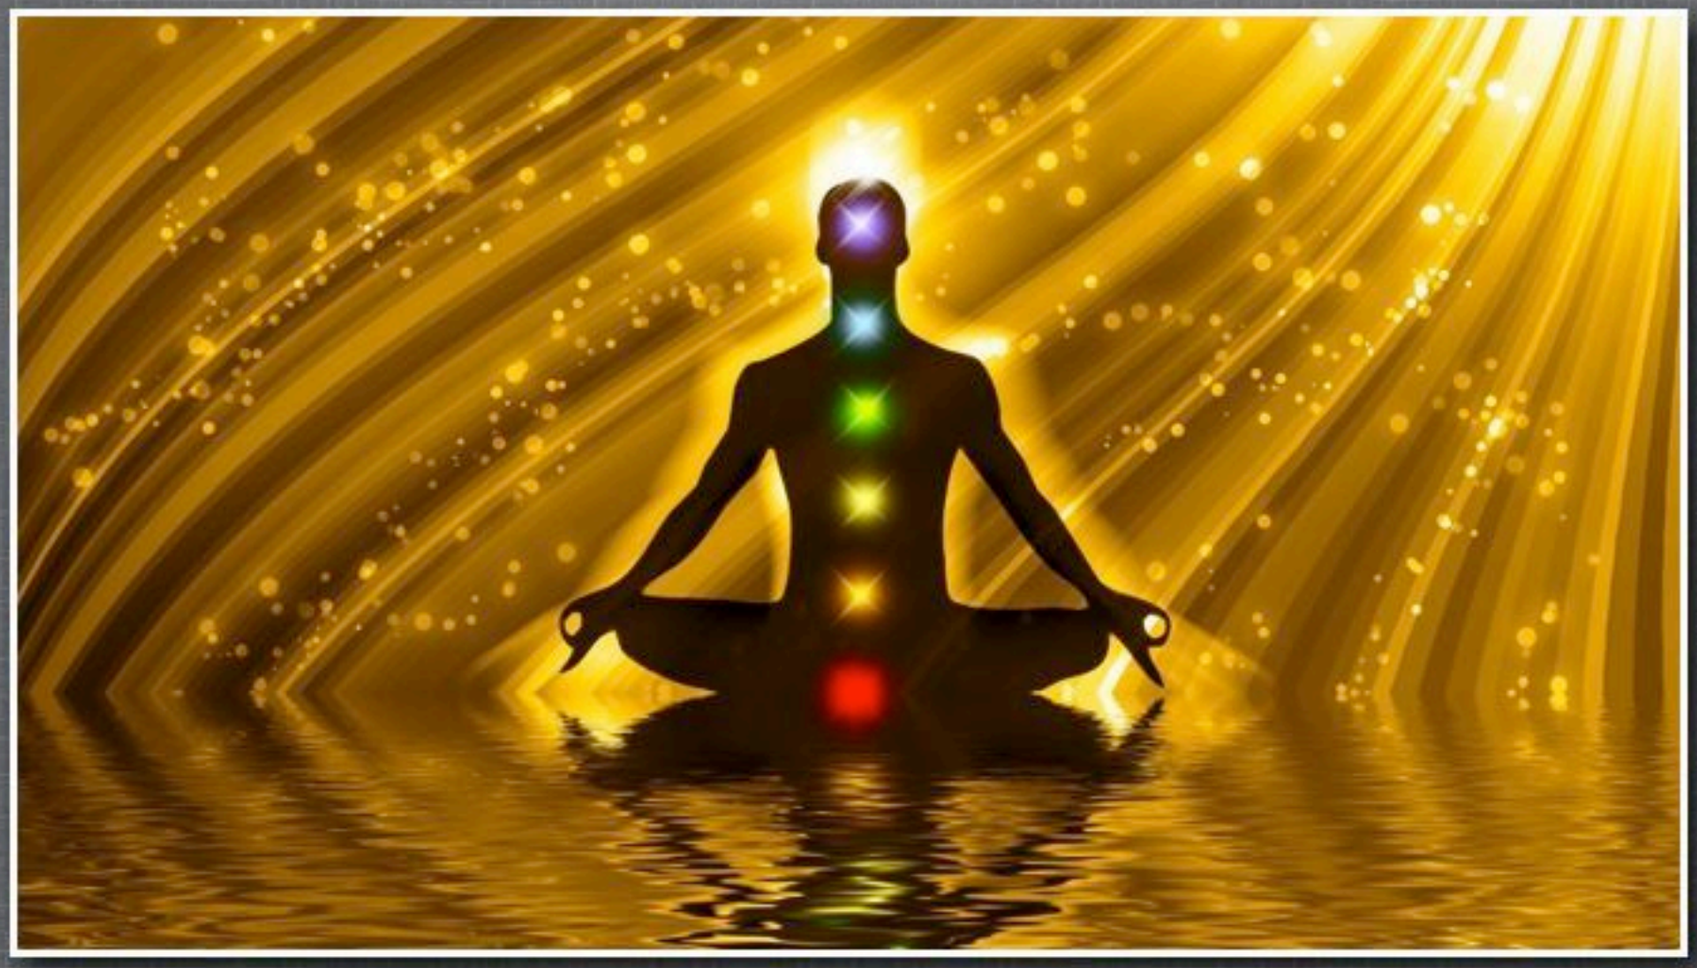
To all the ARCHONISTS (Statists) of this world, I have this to say: "I, for one, will willingly choose True Freedom, even if it meant that roads may no longer exist in a post-slavery world; even if it meant that murderers and cannibals might lurk around every corner; even if it meant that I might drown in human waste because there would be no sanitation; even if it meant that my home might collapse because of unsafe building standards, or that it might spontaneously erupt into flame at any given moment, and no one would come to put out the fire ..."

"New" Age Correction #8:
Bridging The Divide



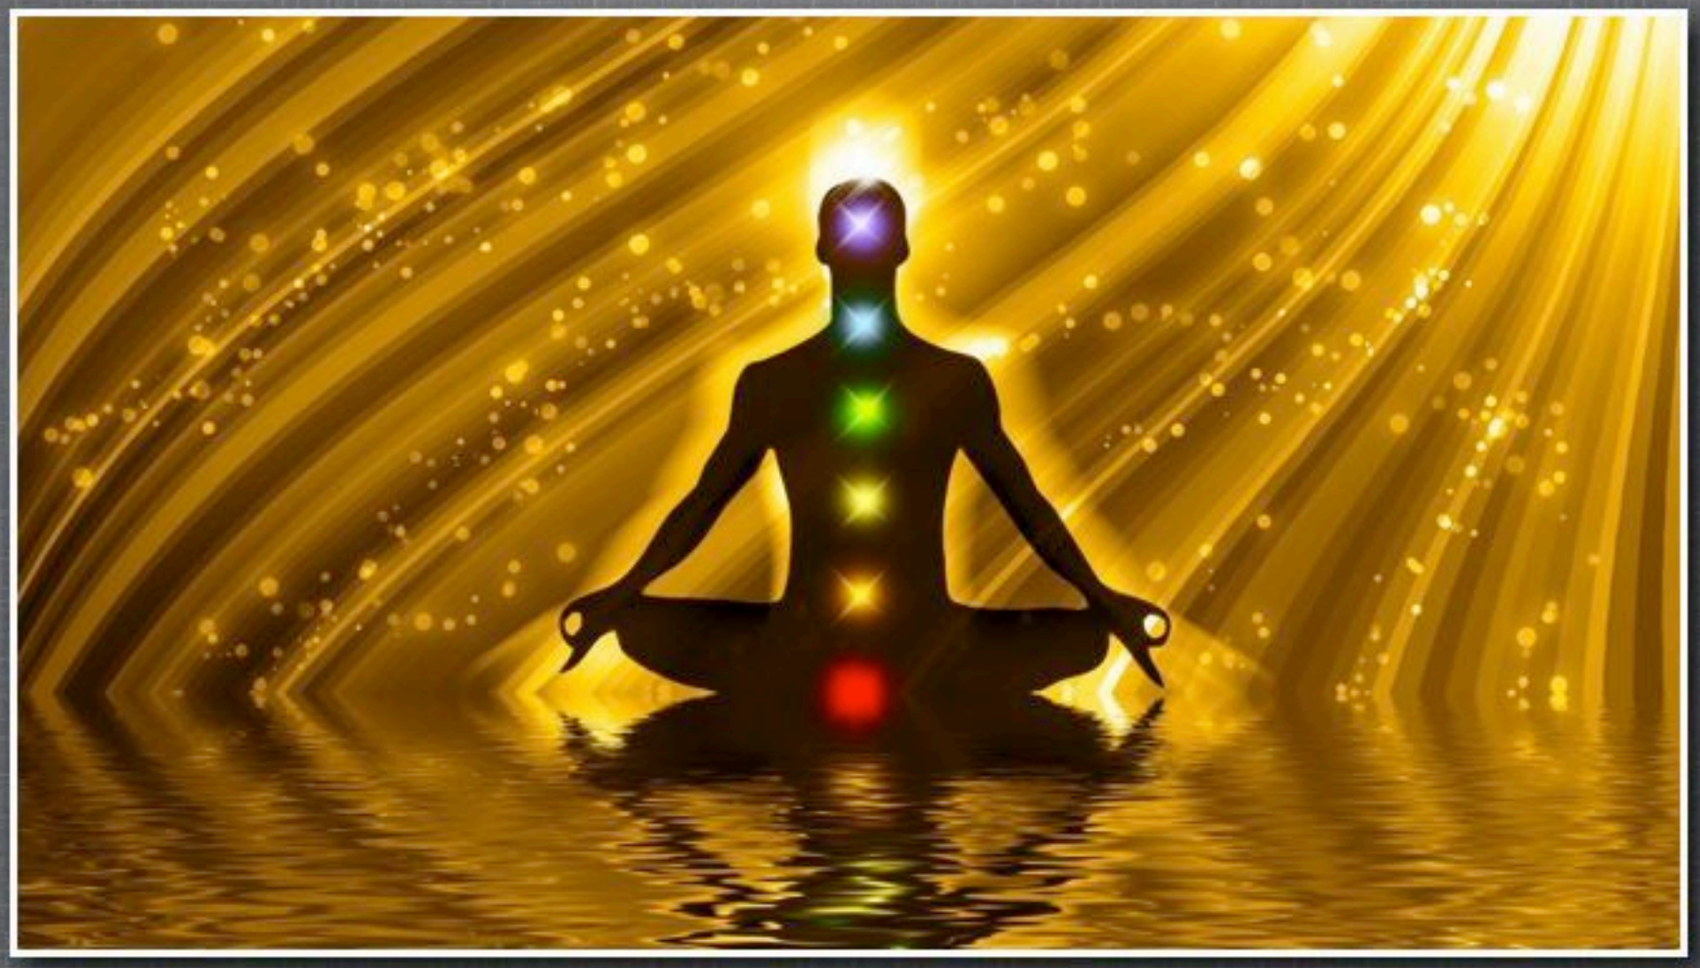
"... I would rather live my life in TOTAL DANGER and be TRULY FREE, than to exist in so-called "safety" and be a SLAVE. An understanding and acceptance of True Freedom means letting go of the Fear of the possibility of Chaos. As long as people stubbornly cling to this Fear, they are ultimately ENSLAVING THEMSELVES, because Slavery is generated and perpetuated through Fear. Only when we stop being afraid, can we even begin to imagine what it means to truly be FREE."

"New" Age Deception #9:



Enlightenment Is *ONLY* About Changing Yourself

"New" Age Deception #9:



... And The End Goal Is To "Feel Good" All The Time

"New" A tion #9:

"New" Age Correction #9:

Responsibility To Truth

"New" Age Correction #9:

The Truth of the current human condition *SHOULD* make you feel uncomfortable.

"New" Age Correction #9:

Use that discomfort to motivate yourself to create REAL CHANGE in the world through your ACTIONS.

"New" Age Correction #9:

Seek The Truth, then...
Speak The Truth

"New" Age Correction #9:

It *IS* our shared responsibility at this time to help to awaken others by continuously speaking the Truth unapologetically, even if we feel burdened by this task, and even if it makes *ALL* of those involved feel uncomfortable.

"New" Age Correction #9:
